

# MEDIA RELEASE

23 April 2018

## **Last chance to complete survey on future of Yarrawonga Town Hall Precinct**

Cr Peter Mansfield said it was vital the community take the opportunity to share their ideas on the future development of the Yarrawonga Town Hall Precinct and Yarrawonga Library by this Friday 27 April.

“This is a once in a lifetime opportunity to rethink what this Precinct could mean for accessing community services including a new library,” he said.

“Sharing your ideas at this early stage in the project maximises the opportunity for them to be included.

“The survey, which is available on our website, closes at 5pm on Friday and all feedback received will go into a report to guide the next stages of this major project.”
