1. Your request must be in writing;
2. You must provide sufficient information about the documents you are requesting to enable us to identify and locate relevant documents; and
3. You must pay the application fee of \$29.60, or if payment of the application fee would cause you hardship, you can request us to waive the fee in full or in part.

### Submitting your request

### After you submit a request

After you submit a request, we will assess it to ensure it meets the requirements outlined in section 17 of the FOI Act.

If we determine that your request is not valid, we will notify you within 21 days from the date we received your request and provide you with assistance to help you make the request valid. If your request is valid, we will begin processing it.

### Timeframes

We have 30 days from the date you make a valid request to provide you with a decision. However, we can extend this time by up to 15 days if we need to consult with third parties whose information may be contained in the requested documents. We may also extend this time by up to 30 days with your agreement. We will let you know if the timeframe changes.

### Other charges

We may require you to pay certain charges before access is provided to the requested document(s). For example, we may charge for providing copies of the document(s) or supervising an inspection of the document(s). If these charges exceed \$50.00, we will notify you and request that you pay a deposit before proceeding with your request.

*Your request must provide sufficient information for us to be able to identify and locate all relevant documents.
