VACCINATION HISTORY

If your child is under 14 years of age, immunisation history statements are available online, through the Australian Immunisation Register, Existing Customers section at Department of Human Services www.humanservices.gov.au/individuals/services/medicare/australian-immunisation-register

For enquiries in relation to immunisation records for individuals that have been immunised through a Moira Shire Council immunisation service, please complete the Application for Immunisation Record form available from Council's website www.moira.vic.gov.au. All records will be posted within five days of Council receiving the completed application form. Council is not able to provide records of immunisations given by doctors or other providers.

NO JAB, NO PLAY

Children must be fully immunised, undergoing a vaccination catch-up program, or have a medical reason not to be vaccinated, to attend long day care, preschool/kindergarten, family day care and occasional care.

Vaccination objection is not a valid exemption. Children can be refused enrolment or enrolment can be cancelled if these immunisation requirements are not met. If an outbreak occurs, unimmunised children may be excluded from child care for a period of time.

For more information visit Department of Health www2.health.vic.gov.au/public-health/immunisation/vaccination-children/no-jab-no-play

NO JAB, NO PAY

As a requirement for parents to be eligible to receive the Family Tax Benefit Part A end of year supplement, Child Care Benefit and Child Care Rebate, children under the age of 20 years need to be assessed as fully immunised for their age.

The National Immunisation Program Schedule provides a list of the vaccines currently recommended. Some exemptions apply, but vaccination objection is not a valid exemption.

For more information visit Department of Social Services www.dss.gov.au/our-responsibilities/families-and-children/benefits-payments/strengthening-immunisation-for-young-children.
