Other		
(Please enter the method by which the Blackwater from the septic tank will be discharged)		
*Method type:	*Effluent lines width:	*Effluent lines length:

Application Requirements:

Complete this form and submit the following information:

Application to construct/install a new onsite wastewater system.

- Site plan showing the location of any: proposed/existing dwelling/s, ancillary buildings/structures, landscape features/structures (e.g., swimming pools, stormwater drains, waterways etc), septic system location and effluent disposal area.
- Floor plan of the dwelling.
- A copy of a Land Capability Assessment (unless advised otherwise by Council).
- Septic system plan detailing all parts of the proposed system, including dimensions, grades, and a description of materials to be used.
- Copy of Certificate of Conformity confirming that the onsite wastewater system meets its standards in accordance with an accredited body.

Application to alter an existing wastewater system.

- Site plan showing the location of the existing dwelling/s, ancillary buildings/structures, landscape features/structures (e.g. swimming pools, stormwater drains, waterways etc), septic system location and effluent disposal area.
- Details of the existing septic system including type and method of effluent disposal.
- Floor plan of the dwelling detailing proposed changes (only if making changes to the dwelling e.g., location of new bedroom/bathroom).
- A plan detailing proposed changes to the septic system (only if making changes to the septic system e.g., adding/relocating irrigation lines).
- Copy of Certificate of conformity confirming that the onsite wastewater system meets its standards in accordance with an accredited body.

NOTE: Alterations to your septic system may require you to provide a copy of a land capability assessment – contact the Environmental Health team to discuss whether this applies to your circumstances.

Declaration:

I understand and acknowledge that the information provided in this application is true and complete to the best of my knowledge; that I have read and acknowledge the Collection Statement, and the owner (if not myself) has been notified of the permit application.

This application forms a legal document and penalties exist for providing false or misleading information. I am over 18 years at the time of completing this application.
