

'LOVE YOUR SISTER' COMMUNITY CANCER FUNDRAISER

SATURDAY APRIL 27, 2024

WHAT?

Join us for dinner featuring guest speaker, Gold Logie winning actor and Victorian Australian of the year, Sam Johnson, OAM. Enjoy a night of raffles, prizes, auctions, health promotion and delicious food. All profits from the evening will be donated to 'Love Your Sister' - Australia's home of 'cancer vanquishment'. Live music and entertainment from Andrew Wishart, Paul Vitullo and Nicky Goldsworthy.

WHY FUNDRAISE?

The terrible impact of cancer continues to devastate too many. Our goal is to raise \$20,000 for 'Love Your Sister' and ensure every community member understands how and where they can access preventative testing, treatment and support.

WHY LOVE YOUR SISTER (LYS)?

100 percent of funds donated to LYS go toward targeted treatment for all cancer patients to 'vanquish' cancer forever. LYS was founded by siblings Sam and Connie Johnson, after Connie was diagnosed with breast cancer. The original awareness and fundraising campaign saw Sam tour Australia on a unicycle and raise over 2 million dollars. Today LYS is Australia's hardest working charity and has raised more than 20 million dollars for cancer treatment and to find a cure.
