We're preparing to introduce a Purple Glass Bin as part of the State required four-stream waste and recycling services, but we can't do it without you.

The First 72 Hours

During an emergency you may have to leave your home or business with short notice. The First 72 Hours helps you prepare for a situation if you couldn't receive professional help for up to 72 hours. Preparing an Emergency Kit is part of the guide to help you act safe and quickly during an emergency event. Think about what should go in your emergency kit:

- ✓ Water or food
- ✓ Medication or prescriptions
- ✓ First aid
- ✓ Radio
- ✓ Torch
- ✓ Batteries and charges
- ✓ Toiletries
- ✓ Family and pet needs

Store your Emergency Kit in an easy accessible location and don't forget to replenish or update throughout the year. Support and resources are available as part of The First 72 Hours www.moira.vic.gov.au/The-First-72-Hours
