Celebrating Seniors Across Moira Shire

As the Victorian Seniors Festival draws to a close, Moira Shire Council is proud to reflect on a wonderful month celebrating the incredible contributions seniors make to our community every day

This year's theme **Connect, Create, Celebrate** encouraged older Victorians to reconnect with their interests, try something new, and enjoy the many events held across the Shire.

Throughout October, local Senior Citizens Clubs and community organisations hosted a vibrant program of free and low-cost activities, bringing people together through creativity, learning, and friendship.

While the festival is wrapping up, a few activities are still to come - visit our website to see what's happening near you and join in the celebrations.
