Women Leading Locally

From 6 March 2023 until 14 April 2023, the Institute of Community Directors Australia will be accepting applications for the Women Leading Locally fellowship.

There are 65 fully-funded places in the fellowship program on offer, thanks to funding from the Victorian government.

The program is designed to inspire, equip, and sustain women to become - and remain - successful local representatives for their communities.

You can register your interest in the program by visiting www.communitydirectors.com.au.
