Ms. C. Keenan
C.E.O. Moira Shire.

Dear Ms. Keenan,

I am pleased to offer my support for the proposed discontinuance of unused sections of road at lake Numorkah.

With the formality of these roads being closed we look forward to Council having more authority in the area. Lake Numorkah needs to be made into a truly functioning storm water facility and recreational lake to keep up with the development of land and housing in the town.

I look forward to the release of the plan for the lake.

Yours sincerely

Judy Newman

Submission This change makes sense. Simplifies land management and does not place any greater onus on Council from an asset perspective. Don't over think it please. Just get it done.
