

Q1 Please view the splash park elements below and rank your order of preference in Q2 below :

Answered: 196 Skipped: 254

ANSWER CHOICES	RESPONSES	
Dump Bucket	39.29%	77
Water Canon	6.12%	12
Shower Ring	3.57%	7
Mushroom/Jellyfish Pole	13.78%	27
Ground Sprayer	2.55%	5
Racer Slide	34.69%	68
TOTAL		196

Q2 Please rank the below splash park elements in order of what you would most like to see included in the extended splash park. (1 being the highest)

Answered: 442 Skipped: 8

	1	2	3	4	5	6	TOTAL	SCORE
Dump Bucket	43.61% 191	24.43% 107	12.10% 53	6.62% 29	5.02% 22	8.22% 36	438	4.70
Water Cannon	2.30% 10	15.17% 66	23.45% 102	21.61% 94	20.69% 90	16.78% 73	435	3.06
Shower Ring	4.81% 21	13.73% 60	18.99% 83	26.77% 117	18.76% 82	16.93% 74	437	3.08
Mushroom/ Jellyfish Pole	12.33% 54	18.72% 82	19.86% 87	17.81% 78	20.09% 88	11.19% 49	438	3.52
Ground sprayer	4.12% 18	8.01% 35	12.59% 55	20.14% 88	27.92% 122	27.23% 119	437	2.59
Racer Slide	33.87% 148	20.14% 88	13.27% 58	7.09% 31	7.09% 31	18.54% 81	437	4.11

## Q3 Do you have any other comments or feedback? We would love to hear your thoughts.

Answered: 295 Skipped: 155

#	RESPONSES	DATE
1	A possible rock, drain area as the Purtle park has	2/26/2022 2:33 PM
2	Wheel chair friendly.	2/25/2022 11:20 AM
3	Really dissapointed that the original waterslide can't be incorporated into the new plan	2/23/2022 9:21 PM
4	A substantial water feature would be good so the shire is not just buying one water park item.	2/23/2022 9:20 PM
5	No dump bucket is best. My kids don't like em. Include a little pool. Slides are great. Check non slip.	2/23/2022 8:27 PM
6	We need a new water slide within a security fence for our older children.this only for younger children. Rates are meant to pay for facilities to keep yernagersocvupied & attract tourists	2/23/2022 7:44 PM
7	No racer slide and rocks please the one at Barooga has these and is hell for wobbly lol ones.	2/23/2022 7:39 PM
8	Would love to keep the waterslide open. It's such a shame to close it	2/23/2022 7:28 PM
9	Are all these going to be included? Even if they are, why rank them. If this is going to cost \$500,000 the ratepayers are being ripped off! Have you had a look at other splashparks around the state to get an idea of what should be included ? - you need a splashpark that accomodates all age groups, not just toddlers. You should be aiming for value for money, and also make this "extension" a lot bigger than what is is now, these ideas will definitely not achieve much value. Do it right and make it worthwhile without having to fix it up later! Make it the attraction it needs to be for the foreshore area. Very disappointing proposal here!! Not good enough!	2/23/2022 3:42 PM
10	The race slide would be ideal as it can be enjoyed by a broader age group. Older kids get bored with just running under glorified sprinklers	2/23/2022 2:04 PM
11	well done	2/23/2022 12:33 PM
12	Put one in numurkah too!!!!	2/23/2022 12:30 PM
13	Recycled rubber in and surrounding the water park. An object like Murray cod spurting out water.	2/23/2022 11:29 AM
14	N0	2/23/2022 9:47 AM
15	A water slide like the existing one to cater for the older children 8 to 14 and younger adults 15 to 20 years	2/23/2022 9:20 AM
16	Make the splash park a decent size with various water activities. Refer The Strand splash park in Townsville.	2/23/2022 8:28 AM
17	Fenced areas so kids with ASD and running issues are protected- parents watch these kids like a hawk but it doesn't take much for them to run. My non asd kid misses out on alot because I'm one person . Fenced playground ensure they both get there time to shine. Thank you for the consideration.	2/23/2022 8:09 AM
18	Lots of shade is essential	2/23/2022 7:48 AM
19	We think the water slide is a huge draw card for Yarrowonga and hope it will be replaced or refurbished.	2/23/2022 7:43 AM
20	It's a shame the waterslide is being removed. Being there nearly every day over the holidays it was always packed which shows people use it heaps	2/23/2022 7:40 AM
21	Make it big!! Lots of tourist and locals visit Yarrowonga who all want to be able to use the facility	2/23/2022 7:29 AM
22	No sharp rocks near play area, area for little people where the water canons can't reach and	2/23/2022 7:15 AM

## Yarrowonga Foreshore Splash Park

area for older children with the bucket and water canons, fence off area as near lake

23	Could you please put a set of steps and or ramp into to concrete surrounded lake pool. This would allow access for older generations and people with a disability, and increase the usefulness of this facility.	2/22/2022 5:26 PM
24	Very excited to see the splash park expanded. It would be ideal for there to be sections that are good for young toddlers, and also attractions for older kids. The current floor surface of the Yarrowonga splash park leaves kids feet black for a couple of days, other splash parks don't seem to do this, so a surface that doesn't stain feet would be better.	2/22/2022 11:58 AM
25	This will be a great addition to our town	2/22/2022 8:17 AM
26	Love to have a water slide again. kids love it	2/22/2022 7:22 AM
27	Extra tables and chairs around the splash park are also needed	2/22/2022 6:25 AM
28	Barooga, Tocumal and Benalla have fantastic splash parks. Definitely make sure there is enough shade. If you add a bucket please make sure that is a small capacity one as they really turn off many small kids which after all the parks are designed for.	2/22/2022 5:56 AM
29	Shade shade shade	2/21/2022 7:09 PM
30	Please consider all age groups using splash park and also current splash pad brick edging is very slippery	2/21/2022 6:11 PM
31	A play area like the Holland Park Swim Centre, West Wyalong would be perfect	2/21/2022 11:41 AM
32	Narrandera Splash Park is amazing, something like that would be awesome for Yarrowonga and draw people from surrounding towns to use it. We need a big area for the kids to spread out but all be able to use it, as some of the bigger kids can be a bit rough sometimes	2/21/2022 11:35 AM
33	It needs to be truly ALL ABILITIES, but NOT every element needs to be. A decent water slide would make it even better. The existing water slide is vandalised as it is so open. DO NOT BLOCK WATER SLIDE OUT because of previous experience with a improperly secured/protect public asset. Think BIG & BOLD. Make it decent. \$500k will not go very far. Will need a lot more \$ than that. Yarrowonga is a MAJOR tourist location and has a large resident population to service. SPEND APPROPRIATELY ...BIG dont be tight!	2/21/2022 8:58 AM
34	You need to keep the water slide. It is something for older children to enjoy. Not all children that use the splash park area are toddlers or under 8 years old. If you want this area to be successful you need to think of all ages. Keep the water slide open!	2/21/2022 8:39 AM
35	Would be lovely to have this in Cobram, Katty, Yarroweyah, Koonoomoo or another Moira Shire town considering Yarrowonga already have water slides and parks.	2/21/2022 8:34 AM
36	Keep the current waterslide. Children of ages four and up along with parents enjoy the waterslide. Improve the kiosk if possible offer the ability to purchase fish & chips or pizzas etc on Friday through to Sundays, even more families will utilise the space for a longer period of time.	2/21/2022 8:24 AM
37	Keep the big waterside!!	2/21/2022 8:14 AM
38	A good safe fence around it	2/20/2022 11:20 PM
39	Keep the Original water slide. If you have so much money to spend. Spend some on it !!	2/20/2022 10:17 PM
40	When you see a dump bucket work and hear the squeal of anticipation it's just amazing	2/20/2022 3:31 PM
41	It would be lovely to have some elements for older children	2/20/2022 12:06 PM
42	We need something that appeals to older kids too! Another bigger and better slide would be good!! And coffee/milkshakes/fish and chips in the kiosk...	2/20/2022 10:36 AM
43	Take a look at the yarrowonga caravan park keep the slide that's already there and build around it	2/20/2022 10:16 AM
44	The foreshore is a prime spot - the splash park defiantly needs to be expanded with the growth of the town and lack of facilities for our younger ones	2/20/2022 9:58 AM
45	Needs to be much bigger area. Kids run around and crash into the steel poles currently. Have a think about what can be done with the steel poles	2/20/2022 9:50 AM
46	Keep the original water slide. Or build a new one. The kids absolutely love the slide. You will be excluding the slightly older child as the splash park mainly has smaller children.	2/20/2022 7:21 AM
47	Honestly I'd rather see the money go towards something else. You say its an all-abilities	2/19/2022 11:50 PM

## Yarrowonga Foreshore Splash Park

water play space but the reality is if a group of teenagers are hanging around it your not going to want your toddler there and vice versa. Yarrowonga has such a high senior population I would love to see the money go towards something that can benefit them as well.

48	Please do not put the racer slide as per picture, the format of that particular slide is dangerous, regarding the t ock formation, very dangerous	2/19/2022 10:12 PM
49	Closing the current slide means older kids will seekto use existing facilities. Younger kids need to feel safe usung the splash park without intimidation from older kids. Also, the current brick edging is slippery & a safety hazard	2/19/2022 6:54 PM
50	Rocks dangerous with water	2/19/2022 6:51 PM
51	This will be great for local kids and for tourism.	2/19/2022 6:50 PM
52	Needs to be a lot of things for the kids to do not just the one thing	2/19/2022 6:23 PM
53	It needs to be a decent size to accomodate lots of kids	2/19/2022 6:05 PM
54	Something for all ages please Older kids/teenagers can't use a splash park so if the the slide is kept, all ages win. Funny enough, babies/toddlers grow very fast ♀	2/19/2022 5:02 PM
55	Have a look at the splash park in Bright it's amazing & so popular oh & please no racer slide far to many kids get injured on them	2/19/2022 5:00 PM
56	Keep the Water slide even if you move to pool	2/19/2022 4:29 PM
57	Use the original slide and update it and utilise the lake.	2/19/2022 3:45 PM
58	Make it great for all ages. Maybe have one side for lil kids and the other side for older kids	2/19/2022 11:36 AM
59	Swallow pool area and sits for parents	2/19/2022 7:00 AM
60	Keep the waterslide	2/19/2022 5:33 AM
61	The area needs to suit a much bigger age group than it does now	2/18/2022 11:43 PM
62	Bigger slide to suit all ages	2/18/2022 8:52 PM
63	We need to keep the waterslide so older kids have something to do	2/18/2022 8:45 PM
64	Keep the waterslide or build an even bigger better one. Splash parks are crap	2/18/2022 8:41 PM
65	Love the water splash park and look forward to the additions which are long over due	2/18/2022 8:24 PM
66	Leave the original waterslide	2/18/2022 8:21 PM
67	Make it big and lots so shade make is accessible for all ages and abilities be good to be able to push wheelchairs in	2/18/2022 8:18 PM
68	More slides	2/18/2022 7:01 PM
69	I don't know	2/18/2022 6:59 PM
70	Need to replace the waterslide with something or older kids by removing the waterslide leaves nothing for them	2/18/2022 6:23 PM
71	I think that area looks fabulous now but more activities for the growing community will be fabulous.	2/18/2022 5:53 PM
72	Make it fun and interesting for older ages too, cater for up to 12yr olds as they go in with friends and younger siblings. Nothing in this town caters for older children/pre teens.	2/18/2022 5:26 PM
73	For all ages and abilities. Different areas for different age groups. More shade for parents to sit and supervise, not just shaded over the splash park. Bench seating.	2/18/2022 5:07 PM
74	More shaded areas for parents to sit	2/18/2022 4:59 PM
75	Please make some long waterslides like at Warburton Water Park.	2/18/2022 3:05 PM
76	No not now	2/18/2022 2:31 PM
77	Please keep the waterslide. It is such a treasured part of the town. That other slide looks dangerous especially with no one controlling it and mutipe kids using it at once	2/18/2022 2:08 PM
78	I feel it's better for items to run through so no one hogs an item	2/18/2022 1:53 PM
79	Having a rock spillway would be great like Tocumwal also ample shading like Tocumwal has	2/18/2022 1:29 PM

## Yarrowonga Foreshore Splash Park

is great for all day use

80	I think it needs a fence around the water park so the children could no go further past it to fall in the dam	2/18/2022 1:28 PM
81	The splash park needs to be at least twice as big, probably more, and needs to involve more elements for older children. Instead of doing a half job, as was the case initially,why not give it a proper crack and make this a genuine attraction for tourists? Take a look atthe splash park / water play facility at Rocks Riverside Park in Brisbane and get some proper inspiration, rather than those small objects you've offered above.	2/18/2022 1:27 PM
82	All elements plus more. I beg Moira Shire to take this seriously rather than the small nominal figure currently allocated towards the project. This location is the jewel in the northern vic crown! Do it once and do it properly!	2/18/2022 1:24 PM
83	Please ensure surfaces are as non slip as possible, as it won't just be able bodied children attempting to use it. The cannon water guns would be fun, but could also lead to unruly children squirting them at those who do not wish to get wet.	2/18/2022 1:03 PM
84	Make it huge, easy money for the town	2/18/2022 12:46 PM
85	It should be suited to all ages and safe, no climbing rocks etc as that can be harmful to young toddlers climbing. If there's to be a slide perhaps 2 smaller and a bigger one, it should have high sides down the bottom to keep the water in and to stop kids flying out the bottom hitting other kids running around. Corowra and Wodonga splash parks are good examples to go by.	2/18/2022 12:44 PM
86	Definitely NOT the Racer Slide and absolutely NO ROCKS! You are asking for accidents. PLUS! We want to keep the water dlide/ Surely it can be updated in such a way that it cannot be vandalised? It is a much loved and used attraction for the water park area. Please do NOT do away with it.	2/18/2022 12:42 PM
87	Why can't we just keep the existing water slide that they spent a fortune on filling in the pool years ago	2/18/2022 12:40 PM
88	Maybe also have tables and chairs with some shade so people of all ages can enjoy this planned beautiful space.	2/18/2022 12:31 PM
89	Whilst racer slides are lots of fun, the rocks supporting it can be slippery, sharp & therefore dangerous, particularly for younger children.	2/18/2022 12:29 PM
90	Get all of them!!	2/18/2022 11:59 AM
91	Complete before summer 2023	2/18/2022 11:36 AM
92	A pity the Shire did not take up the opportunity to build the All Ability playground on our foreshore. Look how popular it is in Mulwala. We need a replacement water slide for the older children. Nothing in Yarrowonga except Skate Park for older children ( 10+) Have a look at water park in Bright. Very disappointed that we are to lose the water slide.	2/18/2022 11:22 AM
93	I think those options you have provided are great. Grandkids will love it	2/18/2022 11:08 AM
94	Do not put big rocks in like wangeratta splash Park. Also allow for plenty of seat/table and BBQ access.	2/18/2022 10:50 AM
95	Fully fenced in	2/18/2022 10:47 AM
96	Good quality floor covering	2/18/2022 9:58 AM
97	Need more entertaining things for our youth	2/18/2022 9:54 AM
98	Sooner the better	2/18/2022 9:35 AM
99	Spread equipment out as much as possible allowing for more reserved children to not be so crowded increasing willingness to play. Shaded seating for parents to monitor and enjoy splash Park as well. Water tubes so children can experiment with water and sound.	2/18/2022 9:14 AM
100	I'm tired of Numurkah missing out	2/18/2022 8:49 AM
101	Please put a splash park in Numurkah! It needs something more badly! Yarrowonga has heaps of attractions for the locals!	2/18/2022 8:44 AM
102	More shade and tables and chairs in the location	2/18/2022 7:52 AM
103	Think outside the box. And make it fun, for the kids who would like to come back again and again.	2/18/2022 7:52 AM

## Yarrowonga Foreshore Splash Park

104	Don't waste the money, get as many things as possible	2/18/2022 7:50 AM
105	I feel that putting rocks in a childrens water park is dangerous	2/18/2022 7:45 AM
106	If the racer slide was Plastic and not metal as we get hot summers and kids don't need to be burnt on a slide	2/18/2022 7:13 AM
107	I think the above equipment is a bit limited. What about a discovery stream for younger children. Is there enough disabled parking that also has access to paths? Are paths accessibility? Do you have accessible toilets near by? Maybe think about the height for a wheelchair and the turn around. Are you catering for different ages in sections? have you asked playgroups, kindergartens, and schools what they would like?	2/14/2022 1:01 PM
108	Include seating for adults supervising and lots of shade	2/13/2022 8:43 AM
109	How about you put all of them in stop being so tight we are one of the biggest tourist towns in the area and we have the smallest splash park	2/11/2022 8:23 PM
110	Don't take the waterslide away	2/8/2022 1:15 PM
111	Firstly, is there any point in a survey given that Council doesn't take any notice of public opinion? Secondly, how on earth is an extended splash park going to cater for aged 10+ kids. Seriously are you interested in catering to grandchildren aged 10+ This will move it from being a go to, to a no to place. Put in a new slide (as per ratepayer opinion!)	2/7/2022 7:41 PM
112	this looks ok for toddlers and young children but what about older kids 8-12	2/7/2022 5:58 PM
113	Would love to see something like they have at the Yarrowonga Holiday Park.	2/5/2022 6:39 AM
114	Would love to see some sort of a waterslide	2/4/2022 9:10 PM
115	Please provide enough parking lots near to the park.	2/4/2022 1:21 PM
116	The bricks around the current splash park are extremely slippery and dangerous a better option would be great	2/3/2022 7:10 AM
117	If possible a segregated area for little ones	2/3/2022 2:54 AM
118	Something that caters for all age groups would be great.	2/2/2022 9:04 PM
119	These facilities are vital to the community	2/2/2022 6:02 PM
120	Excellent facility to increase tourism for both day trippers and overnight stays.	2/2/2022 4:40 PM
121	chair for adults	2/2/2022 2:42 PM
122	Budget needs to be more. Create a splash park like that at the Yarrowonga Caravan Park or to a lesser extent Barooga, Bright and Tocumwal!	2/2/2022 1:20 PM
123	Kids and adult pool would be ideal.	2/2/2022 6:50 AM
124	Let's take this opportunities to make this something different to any other water park around. Let attract people to our foreshore. Even something more exciting than the choices above. I'd be more than happy to offer my time to help research ideas abs equipment. Wallan Bright, Royal childrens hospital water park are all different and amazing amd all abilities which is very important too.	2/1/2022 11:52 PM
125	Move the slide to the outdoor pool. Would create so much money at one site, extra work, and a greater atmosphere at our underused pool	2/1/2022 8:58 PM
126	Providing a very short list of similar things is not genuine consultation. Surely if the splash park is to be extended all these things would be included. The community wants the slide retained. If vandalism is genuinely an issue then erect a higher fence, add security cameras etc. Why remove one of the few local things for primary school aged children to do.	2/1/2022 8:27 PM
127	Having something entertaining for every age would be wonderful	2/1/2022 8:25 PM
128	The items pictured look very small and minimal quality?? Several of the items are already featured in the current splash park. Please make an effort to upgrade and present this fabulous community project that our town/s deserves. I wonder what your budget is? Will this alteration sustain the location for the next 15 years without having another upgrade? Make sure this project is one to be proud of!! And if done right you can building other ventures from it!! Good luck	2/1/2022 6:59 PM
129	Would love to see this happen in Yarrowonga!	2/1/2022 5:44 PM
130	Missed opportunity went to Mulwala with complete all abilities park due to no Moira support,	2/1/2022 5:25 PM

## Yarrowonga Foreshore Splash Park

and now this is all we get?!

131	Keep the waterslide!! Oh, and can we also get a splash park at Numurkah please :)	2/1/2022 4:52 PM
132	Safety must be a priority, specifically adequate child proof fencing and easy viewing from all angles for parents.	2/1/2022 3:17 PM
133	I think it would be fantastic to include a gym station as seen in many out door spaces today! More setting with tables and chairs and a really nice cafe!	2/1/2022 2:25 PM
134	Please consider small and big slides perhaps two or three for all ages NOT just small/young children. With the lost of the water slide our primary aged children need to be catered for.	2/1/2022 2:07 PM
135	I'm quite disappointed with the options available. Not very exciting. Surely they can build something similar to the one in the Yarrowonga caravan park. It's amazing. Please at least when you do build it, space out each of the things a bit more. When they're so close together kids collide when they jump out of the way when the water squirts which is troublesome when there are much older kids and little toddlers. If you do have a tip bucket please consider placement as it can be quite frightening for young toddlers. Obviously it needs to cater for all but consider that older kids enjoying this feature will dash around it etc and knock over a toddler enjoying a small squirted feature, so maybe just consider having some smaller features at a distance so they can be enjoyed safely by younger kids on the outer without having to go right in.	2/1/2022 1:47 PM
136	Seating under shade for adults.	2/1/2022 1:36 PM
137	Would be great to see some more seating around the splash park facing where the kids play	2/1/2022 1:33 PM
138	Honestly I don't feel like the waterslide should go at all. We live nearby and saw how packed it was every single day over the summer holidays.	2/1/2022 1:20 PM
139	I think it would be beneficial to have an area for toddlers and then for older kids.	2/1/2022 12:54 PM
140	Think this is a great project. Well done Moira Council team!	2/1/2022 12:32 PM
141	Shade for the parents/carers. Make it big enough for the peak season influx. Extend the season. Improve or lease out the kiosk to a private entity, not the ymca, that will cater to everyone, a cafe would boom down there.	2/1/2022 12:27 PM
142	Shade would also be needed	2/1/2022 12:25 PM
143	I think a little pool type puddle for kids to sit in that is only a few inches deep	2/1/2022 10:36 AM
144	Replace water slide	2/1/2022 10:20 AM
145	I would like a new water slide to cater for older children	2/1/2022 9:52 AM
146	Appropriate shade sails are required and also seating in shaded areas for parents. The picnic tables newly installed in the foreshore area are in full sun in the afternoon and are very unpleasant to sit at- with only one routunda in that area- perhaps more routundas need to be built.	2/1/2022 9:21 AM
147	No I don't sorry	2/1/2022 9:17 AM
148	My 6 year old love the section of the splash park in Tocumwal that has the water flowing down like creek beds & they can open & shut some gates & some you lift up & down. I think this would be something that might be attractive to kids & something I haven't seen at any other splash parks. With regards to the racer slide, you'll need to think about the surface at the bottom as I know some children have had like carpet burn from the one in Wangaratta. I definitely think a slide of some sort needs to be incorporated though with the removal of the big water slide which is most attractive to the older kids.	2/1/2022 9:13 AM
149	Please keep the bigger slide running!	2/1/2022 9:05 AM
150	It's incredible how Purtles Park in mulwala was given \$4million from the federation council and Moira is only willing to give a measly \$500k? Glad to see our council has appreciates all the tourism we bring to the area, it's not like the town is dying after covid...	2/1/2022 8:55 AM
151	Cannons can often cause conflict. A little pool would not be hygienic unless it is going to be REGULARLY maintained	2/1/2022 7:44 AM
152	More shade around the area and seats	2/1/2022 7:29 AM
153	Yarrowonga is an expanding town over the summer period. This space needs to be a decent size allow for this. Models to think about would be Bright and Tocumwal.	2/1/2022 6:57 AM
154	With the waterslide going you need to make it bigger more adventurous so even older	2/1/2022 6:21 AM

## Yarrowonga Foreshore Splash Park

	siblings can enjoy. Look at the Tocumwal one they have done it right!!	
155	A larger water slide for the older kids would be wonderful too	2/1/2022 6:01 AM
156	Something for teens in the area now the water slide has closed down	2/1/2022 5:13 AM
157	Must suit a range of ages 12 and under and differing spaces for different ages , as the last one didn't suit small and larger kids in the one area. Slide should stay and open a cafe in the rotunda building . Coffee and a cafe space down there is needed immensely .	2/1/2022 5:00 AM
158	No	2/1/2022 12:35 AM
159	Ankle to calf deep "pool" area for sitting, splashing etc	2/1/2022 12:12 AM
160	The current brick work around the edge is very slippery so avoiding an edge like that would be great	1/31/2022 11:02 PM
161	all of them would be great together. needs to be a big enough splash park to support the community	1/31/2022 10:58 PM
162	Please ensure that it will have plenty of shade over it especially for in the summer time kids need to be able to have fun but also be protected from the sun and not many of these places have that shade sails up	1/31/2022 10:48 PM
163	We love the splash park however find that the pressure in parts is too strong and deters younger children. Try to take all ages into account and have something for everyone.	1/31/2022 10:46 PM
164	Making sure there is something exciting for children over 5 Keeping the big waterslide up and running	1/31/2022 10:33 PM
165	Make sure the nuts/bolts and bottom of the poles on the shade sails are covered with some form of padding as the current ones are very dangerous especially for little ones who are still finding their feet. The bricks around the entrance can be quite slippery for toddlers to navigate. The gap between the fences and concrete around the slide is big enough for a small child to get the foot stuck and injure themselves. This needs to be looked at.	1/31/2022 10:32 PM
166	Shade and plenty of seating/ tables would be fantastic	1/31/2022 9:57 PM
167	How is this catering for older children? By removing the waterslide and extending the splash park I wonder how this appeals to teens? Older kids??	1/31/2022 9:51 PM
168	No thanks	1/31/2022 9:42 PM
169	Be nice to see a big splash park in Cobram So many people asked for one before the new play ground came about Hope the people of Cobram actually get what they have been asking for, for many years	1/31/2022 9:02 PM
170	Something like the splash park on the Tocumwal foreshore would be perfect!	1/31/2022 8:58 PM
171	Rock water fall pools. An area aim for baby/toddlers and then an area for older kids.	1/31/2022 8:21 PM
172	Disappointed that the waterslide is going. The splash park will probably cater for the younger children	1/31/2022 8:10 PM
173	A shallow toddlers splash pool would be a great addition around some of the features too.	1/31/2022 8:09 PM
174	More Carparking for the Yarrowonga foreshore would be very useful!	1/31/2022 8:04 PM
175	Put a splash park in Numurkah 3636	1/31/2022 8:01 PM
176	Toddler friendly enclosed please	1/31/2022 7:55 PM
177	Waterslides, toddler pool, more exciting things for kids!	1/31/2022 7:47 PM
178	I think it's a shame the kids are losing the water slide	1/31/2022 7:41 PM
179	Water weir is good	1/31/2022 7:20 PM
180	Please include enough shade for people to actually be able to use it during the heat of the day, including enough shade for parents supervising their kids	1/31/2022 7:09 PM
181	Make it big enough for lots of kids to enjoy	1/31/2022 7:09 PM
182	Every parent and child I have spoken to are all really disappointed the slide is closing. We fear it'll make the park not enjoyable to kids over 6yo.	1/31/2022 7:05 PM
183	This is ridiculous, how can the Moira shire remove such an asset as the foreshore slide and try to replace with an outdated 'splash park' ? If those pictures shown are any where near	1/31/2022 6:54 PM

## Yarrawonga Foreshore Splash Park

the sort of 'splash park' this council intends to waste their money on once again this is a joke and an insult to the communities that rely on the foreshore . If you spend any amount of time at Yarrawonga foreshore over summer you realise how many people , families and tourists use the waterslide . If you can't do better than the suggestions of a mere \$500,000 dollar upgrade for what should be a tourist attraction more than anything you are leaving Yarrawonga behind and not doing your job as their council .

184	No	1/31/2022 6:50 PM
185	So happy you are extending the splash park. Thank you	1/31/2022 6:49 PM
186	No	1/31/2022 6:42 PM
187	Shade cloth	1/31/2022 6:41 PM
188	Safe area fenced off so little kids cannot run into the lake	1/31/2022 6:40 PM
189	Cafe would be fabulous with table and chairs	1/31/2022 6:35 PM
190	More seating/tables near the lake pool. Gets busy enough between the playground and the current splash park and kiosk.	1/31/2022 6:32 PM
191	The shallow pool with the mushroom/jellyfish pool pictured is a great idea!	1/31/2022 6:27 PM
192	Any improvement to water facilities would be a big bonus to the town. Hopefully a heated	1/31/2022 6:25 PM
193	An end where it isn't very hectic and more calm. So the kids that don't want to be sprayed don't get sprayed by the water sprayers kids control.	1/31/2022 6:23 PM
194	No	1/31/2022 6:23 PM
195	Incorporate a pirate ship or boat with slide built in with the dump bucket, as per Funfields. Sheltered bench seats surrounding area.	1/31/2022 6:21 PM
196	Cobram and Numurkah need youth and family splash parks first. No safe water activities for children, families and the youth of these towns.	1/31/2022 6:12 PM
197	Include lots of shade over the splash zone and surrounds	1/31/2022 6:11 PM
198	A quiet area for smaller kids would be great, something like the rock pools in Mulwala all abilities park or Tocumwal splash park. Lots of shade would be fantastic also.	1/31/2022 6:10 PM
199	Needs to have good shade provision for the kids and supervising parents. Wangaratta has a good splash park but not much shade.	1/31/2022 6:10 PM
200	Great project. Good luck.	1/31/2022 6:05 PM
201	Have lots of things for all ages make it big so people want to stay in town and not find fun things out of town.	1/31/2022 6:03 PM
202	A few natural materials such as rocks and tunnels for children to explore also pump action tapes would be ideal for children's gross motor skills.	1/31/2022 6:00 PM
203	I just think it is a fantastic project the shire are doing be great for locals and visitors	1/31/2022 5:59 PM
204	We really need something available to all ages.. babies / toddlers / pre-schoolers / even early teens - something very similar to the water park at Yarrawonga caravan park!! Shade is also a must especially a very shallow end walk in pool area so parents are able to sit comfortably in the water or edge with their babies/toddlers	1/31/2022 5:58 PM
205	Make the splash park bigger and more shade for parents!	1/31/2022 5:55 PM
206	It needs to operate for longer periods and everyday over the warmer months. Would be nice to have more shade or extra bbqs so you can have parties there. Needs to be a lot bigger for all age children to enjoy	1/31/2022 5:53 PM
207	A few more park benches and picnic tables	1/31/2022 5:52 PM
208	Shade, soft ground	1/31/2022 5:50 PM
209	bring it too numurkah	1/31/2022 5:50 PM
210	Maybe a good idea to add more shade also	1/31/2022 5:50 PM
211	More shade not only over the splash park area but the grass and seating areas. Soft landing surfaces rather than concrete	1/31/2022 5:49 PM
212	Variety for the kids	1/31/2022 5:47 PM

## Yarrawonga Foreshore Splash Park

213	No slip surface	1/31/2022 5:44 PM
214	Lots of shade	1/31/2022 5:43 PM
215	We would love it if you kept/updated the water slide. Big kids need things to do as well.	1/31/2022 5:43 PM
216	Keep the water slide open	1/31/2022 5:41 PM
217	More picnic tables and shade	1/31/2022 5:40 PM
218	Definitely need a slide if you are removing the other one	1/31/2022 5:37 PM
219	Put it all in . Do it once and do it properly. Yarra and mul is a beautiful area and day family trips from all around. If it's worth the drive people will come and put money back into the community.	1/31/2022 5:34 PM
220	That racer slide in the above picts- that is far to slippery. Toddlers slip to easily. The splashpark in bright is Simple yet great. Maybe something to go off. Well Done Moira Shire	1/31/2022 5:28 PM
221	Keep the slide.	1/31/2022 5:27 PM
222	This is fantastic by the council We just recently Saw the waterpark at Tocumwal and thought how amazing but the community can't wait to see the one at Yarra	1/31/2022 5:23 PM
223	Plenty of chairs around under some cover	1/31/2022 5:22 PM
224	Love the tocumwal splash park , we drive from yarrawonga to go there , we need something like this	1/31/2022 5:22 PM
225	Soft rubber ground, lots of shade, shaded grass area for parents, fenced in area with toddler pool,	1/31/2022 5:21 PM
226	A small splash pool attached would be great fun for kids.	1/31/2022 5:19 PM
227	The dump buckets have knocked over my children at other sites and they are 6 and 4, there is just too much force when the water drops	1/31/2022 5:15 PM
228	Would love it to cater for children of all ages	1/31/2022 5:11 PM
229	Plenty of shade around and on the splash park	1/31/2022 5:09 PM
230	Bigger splash park area	1/31/2022 5:07 PM
231	It needs to be 10 times bigger than the one we have now and inclosed in.	1/31/2022 5:05 PM
232	No	1/31/2022 5:04 PM
233	Nope	1/31/2022 5:02 PM
234	We need a better splash park in Yarrawonga for all ages including school aged children	1/31/2022 5:01 PM
235	Please make it all ability's not just for children with out Disabilty's	1/31/2022 5:01 PM
236	Stairs for climbing up to slide ect rather then rocks they are unsafe. Would love to also see a water tunnel and some more things for little kids 3 and under, shallow paddle pool like pictured with mushroom poles, mini bucket filling ect	1/31/2022 5:01 PM
237	A soft area with smaller water elements would be ideal for the little kids and possibly a fence so parents can sit worry free with their kids	1/31/2022 4:59 PM
238	Hope this is done asap thanks and please consider same for Cobram	1/31/2022 4:59 PM
239	Bigger area for more children to be able to access	1/31/2022 4:58 PM
240	Would love a fence around it just to be extra safe	1/31/2022 4:57 PM
241	This expansion would be great for the community, as there is not much for kids to do here	1/31/2022 4:53 PM
242	No	1/31/2022 4:50 PM
243	would love for it to have areas for older kids unsteady on their feet. a lot of people don't realise that disability isn't just walking or wheelchair. handrails, standing frames, easy to use equipment is all important for mobile, but unsteady patrons	1/31/2022 4:49 PM
244	Very exciting for our town to be receiving these upgrades	1/31/2022 4:47 PM
245	Shade sails!!!!	1/31/2022 4:26 PM
246	I would highly suggest whoever is doing the design to take a trip to mildura. Their waterfront	1/31/2022 4:14 PM

## Yarrawonga Foreshore Splash Park

water play area is AMAZING! I would hate to see the \$500k just spent on a bucket/sprayers etc, as these things date. Your suggestions above are very limited and all along the same lines. Tocumwal for example is already looking dated. Mildura has created a natural water play space which will never date and provides a beautiful relaxing/entertaining space for kids and adults alike. Much thought has been put into this area. Even smarter- just ring mildura council and they'll tell you who created that space... Natural spaces all the way for me - plastic fantastic not my vote. Thanks and good luck!

247	Expansion to Yarrawonga splash park is a great idea. I know the shire are only looking to have 1 splash park in the area though Cobram is a tourist hub as well, not just industrial. As much as you try to ignore it's tourism, it's growing every year. We see a lot of comments from locals and tourists on the community social pages asking for more to do. Something more at Thompson's beach is needed. The cafe being opened in great. A small splash park (maybe like the one currently at Yarrawonga) an all ages play ground with fences for safety, it has so much potential and is being wasted. We are asking for it time and time again and it feels like it's going to deaf ears. Cobram is not just an industrial hub.	1/31/2022 4:04 PM
248	Some more table with chairs would be great! Another under cover area and some more shading over bbq facilities	1/31/2022 3:57 PM
249	It needs to be a large splash park for all ages and abilities	1/31/2022 3:56 PM
250	My child is ASD, he likes to watch the dump buckets but not go near them, if you include one, having an area off to the side that has other water activities for children/people that have sensory issues, that are abit quiet and not so full on.	1/31/2022 3:55 PM
251	Please make this great! A decent size that caters for all ages!! Would be great to upgrade the kiosk too, with hot food and coffee...	1/31/2022 3:49 PM
252	Keep the water slide for the older kids & extend the splash park. There's plenty of room	1/31/2022 3:34 PM
253	Another square on the lake would be nice ☺	1/31/2022 3:33 PM
254	Would love for the new "splash park" to be appealing for all ages, and be shaded areas.	1/31/2022 3:15 PM
255	The tocumwal splash park is excellent	1/31/2022 3:10 PM
256	A little baby pool wouldn't go astray either. And more interactive water play like water pumps etc!	1/31/2022 3:09 PM
257	This will need to be a significant upgrade with the location and usage the splash park gets along with the removal of the waterslide. Please provide a significant investment and do it right the first time.	1/31/2022 3:08 PM
258	I believe an indoor pool would be of more benefit to the town. Splash park as is, is great for young ones. What about older children 10+	1/31/2022 3:07 PM
259	No	1/31/2022 3:07 PM
260	Shade over the whole thing please, and seating with tables with shade	1/31/2022 3:05 PM
261	Just please go all out! Nothing is ever TOO much. Make it one to remember!	1/31/2022 3:04 PM
262	It's definitely a great idea to expand as every time we go there through summer is hectic. I believe if we can have a section suited more for older kids and still expand the younger kids one would work a treat.	1/31/2022 2:58 PM
263	How about for the \$500,000 move the rate payers splash park that the caravan park have greedily claimed as their own and relocate it too the foreshore. It is a disgrace that as a rate paying resident of this town that my children cannot enjoy a splash park that the council has provided and get stuck with a paddle pool and a dump bucket on the foreshore. This is a tourist attracting town and a splash park of that Magnitude would entice so many more people to see our town and would be utilised by residents far more than what is already provided. I also know many residents who will not recommend the caravan park as it is disgraceful how they have cordoned off the splash park as their own	1/31/2022 2:55 PM
264	500K isnt enough. The current arrangement is a puddle not a park. Consideration on size for 50 children. Which during holidays and peak periods there is more than that on the foreshore. The town is growing and also attracting more holiday makers. Unless the council wants be laughed at, do it properly. Look at townsvilles splash park on the strand and make one like it on comparison to size of town and tourists.	1/31/2022 2:52 PM
265	Looking forward to seeing the end result	1/31/2022 2:51 PM
266	Keep the water clean. It used to be perfect. The last few years it has been not so good.	1/31/2022 2:46 PM

## Yarrowonga Foreshore Splash Park

267	I believe the existing water slide needs to be kept. Not all children who use the current splash park are toddlers. If you want the "new" splash park to be inclusive, you need to include something for children older than eight. Keeping, or a further upgrade of the current water slide is imperative and a great money spinner. Not to mention, that it would be a waste of rate payers money to remove the current slide that was only recently refurbished.	1/31/2022 2:19 PM
268	We need some sort of waterside for old children also. 8+ Not just for the young children cohort	1/31/2022 2:19 PM
269	Larger area, less crowded. And more appropriate for older kids too. Something that my 7yo will enjoy whilst my 2yo will also enjoy.	1/31/2022 2:15 PM
270	For \$500k please put in a bigger longer waterslide.	1/31/2022 1:38 PM
271	The slide in the photo there is one in barooga it is very dangerous slippery and the rocks the same thing I have seen many children including my own cut graze and hurt themselves including a child who broke there arm and another who smashed a tooth out please consider a different slide and set-up slide would be no 2 if it wasn't this one	1/31/2022 1:34 PM
272	Ye	1/31/2022 1:31 PM
273	In the photo you have of the mushroom/jelly fish pole, there is a almost toddler pool and water fall. I think that a toddler rock pool/ shallow pool like that would be good for babies and toddlers so they can enjoy the space with older kids without being freaked out by water splashing them in the face all the time.	1/31/2022 1:27 PM
274	Tocumwal splash park is a great example of a facility that suits all ages and would be a great addition to the current splash pad at Yarrowonga. A small wading pool as pictured (mushroom/jellyfish pole image) would provide further opportunity and inclusion for toddlers that aren't quite sure of the spraying and bursts of water.	1/31/2022 1:18 PM
275	The best splash park I have ever seen is in Darwin	1/31/2022 10:00 AM
276	Appropriate shade sail over the area and a few more fast growing shade trees around the perimeter plus seating and tables. Make allowances to Plan to extend the splash park in the future .. a little splash pond would also be good for toddlers ..	1/31/2022 8:56 AM
277	Something is required for the 8-15 year olds there is already plenty for the younger age group	1/31/2022 7:49 AM
278	It would be great to keep the old slide or install a new big slide	1/30/2022 9:20 PM
279	My thoughts are either fix the water slide or replace it with another one bigger and better. We have the most wonderful asset - our foreshore and it is progressively getting uglier and uglier. Plant more trees, move the giant bin away from the rotunda that is blocking the view of the splash park and slide and please please please do something with the very unappealing kiosk. We need both a waterslide and a splash park to attract a bigger demographic.	1/30/2022 7:56 PM
280	Just do it and do it properly	1/30/2022 7:11 PM
281	Yes. This idea is only for young children. Never mind extending the splash park. Spend the money on a new and better water slide	1/30/2022 6:40 PM
282	It would be great to see equipment that accommodates a wider age group. The current equipment is aimed at younger children. With the planned removal of the waterslide, there will be little to keep older children entertained on the foreshore.	1/30/2022 3:12 PM
283	Would be nice to keep the water slide we have now different organisations could run and make money	1/30/2022 11:14 AM
284	The waterslide is the only thing in town for the older kids & even the existing slide is not great, the one in Mulwala is a lot more fun. This statement is from my children 10 to 13. But an expansion to the splash park would still be great but keep or update the existing waterslide.	1/29/2022 3:18 PM
285	It's for babies. What about the 5hrs olds to 13 year olds who we don't want in the lake and are the ones on the current slide?? What do you actually do there? Stand under the water? Look at active play with thinking to engage the kids. They won't last 10 mins if it's standing under water. What about some movement? Look at this- <a href="https://youtu.be/Yc8s5zDINM4">https://youtu.be/Yc8s5zDINM4</a> Taking the slide away is a joke. You need to do better than a crappy splash pad for a toddler.	1/29/2022 11:59 AM
286	Not having a proper water slide is ridiculous, instead put in a new modern water slide, there is not enough activities for teens in our town, aquazone is too expensive and it's more like	1/29/2022 11:50 AM

## Yarrawonga Foreshore Splash Park

exercise than fun. And the skate park is only good for kids who skate or bike what else is there for teens in our town? To take away the water slide is ridiculous

287	If you are taking the waterslide away there must be some attractions for teens	1/29/2022 9:59 AM
288	It should be relocated and form part of the new indoor aquatic centre that is being built in 2023 or secondly curent outdoor pool. By concentrating water facilities at one location having multiple attractions, revenue will be maximised, maintenance minimised etc.	1/29/2022 9:39 AM
289	Leave the water slide here if it was open more often it would be a great attraction, why have it there and not have it open more often, and the kiosk it used to be a great place to go if a day into the evening, you could buy salad rolls and other quick food and have a lovely evening at the lake. Why take on the contract and not open it seems ridiculous to me not to.	1/28/2022 9:11 PM
290	Encourage Tourism!!	1/28/2022 8:08 PM
291	Check out tocumwal and Benalla splash parks and work off them!!	1/28/2022 5:37 PM
292	Keep the water slide	1/28/2022 3:57 PM
293	Really disappointed that the waterslide is coming out...and \$500,000 is not nearly enough to build a decent splash park, it wasn't even enough 10 years ago. Yarrawonga is the largest town in the shire and there is very little for families to do during the summer. This area is very heavily populated during summer and this upgrade should be done properly.	1/28/2022 3:52 PM
294	It is embarrassing for the Shire that this project had huge community support and commercial backing but was then built in Mulwala because the shire did not support it. This could have been built already and with geniune support - this should not just be swept under the carpet - the failure to act prior should be reviewed.	1/28/2022 3:49 PM
295	Cobram need a splashpark. When the border was closed we could not get to Barooga or Tocumwals splash parks and everytime we went to Yarrawonga it was overly packed.	1/28/2022 1:48 PM
