

OUR FACILITIES:

Council's aquatic facilities are managed by the YMCA.

They include swimming pools at Yarrawonga, Cobram, Strathmerton, Numurkah and Nathalia as well as the Yarrawonga water slide, splash park and kiosk.

Council allocates more than \$800,000 annually for the provision of swimming pools and aquatic facilities.

REVIEW OF OPERATING HOURS AND SEASON LENGTH:

To ensure that we are providing best-value, Council has undertaken a review of pool operating times and season dates.

This involved benchmarking with other councils and an analysis of attendance data.

This review indicated that our standard operating hours and season length provides the best value-for-money for ratepayers, and only minor changes to our cold weather policy were required.

COLD WEATHER POLICY:

The outdoor pools will be CLOSED when the Bureau of Meteorology forecast is less than 25 degrees.

The decision for a cold weather closure will be made at 6pm the evening prior.

Should the pool open and the temperature drop to below 25 degrees the Duty Manager may close the pool early.

HOT WEATHER POLICY:

Where the forecast temperature is 38 degrees and above, the pool will remain open until 8pm, unless attendance falls below 10 patrons.

If there are more than 10 patrons at 8pm, the pool will remain open until 9pm.
