MOIRA SHIRE PROFILE

Moirá Shire is strategically positioned on the iconic Murray River, two and a half hours north of Melbourne and close to major regional centres.

It covers an area of 4,045 square kilometres and is bounded by the Murray, Goulburn and Ovens rivers. Moirá Shire comprises the four main centres of Cobram, Nathalia, Numurkah and Yarrowonga, as well as 18 smaller towns and communities.

In 2021 the shire’s population was 30,522 and is projected to reach more than 34,101 by 2041.

Moirá Shire has a number of significant environmental assets such as the three river systems as well as the Barmah National Park.

This national park contains the world’s largest Redgum forest, which is an internationally listed Ramsar site, part of the Register of the National Estate plus an Icon Site for the Living Murray program.

These assets are significant for their biodiversity values and play a key role in the economy and liveability of the Shire.

Irrigated agriculture is the Shire’s economic engine and is inextricably linked to the region’s waterways and secure supply of high-quality water.

The Shire is home to a variety of agricultural industries including horticulture, cereal, oilseed, livestock, and dairy production.

COUNCIL SERVICES

ANIMAL REGISTRATION

Moirā Shire residents living in a residential area, commercial area, or on any rural property which comprises less than eight hectares are allowed a maximum of two domestic dogs and two domestic cats. These animals must be registered with Council if aged 3 months or more.

Registration can be done over the counter at one of our Customer Service centres, or via our eService's portal on Council's website.

FIRE RESTRICTIONS

For many people, burning-off vegetation is an effective way to prepare and maintain properties. Moirā Shire does not allow burning off in residential areas.

A fire pit in a residential area is allowed for warmth or for entertaining, they are the sole reasons, never for the sake of burning off.

You must register a burn-off by calling 1800 668 511, or by registering online at <https://firepermits.vic.gov.au/>. This will ensure the CFA won't be called out unnecessarily to a burn-off. Moirā Shire is part of the CFA District 22.

For current incidents and fire restrictions call VicEmergency Hotline: 1800 226 226

What is Planning?

Planning is a tool used to control use and development. In Victoria, planning is governed by the Planning and Environment Act 1987.

The region is supported by industries such as agriculture, horticulture, food manufacturing, commercial manufacturing, transport and tourism to name a few.

How can we help?
