FINANCIAL POSITION REPORT AS AT 28 FEBRUARY 2014

RECOMMENDATION

That Council receives and notes the Financial Position Report as at 28 February 2014.

1. Executive Summary

Highlights:

- Financial position as at 28 February 2014 is sound due to collection of 3rd instalment of rates and receipt of Grants Commission funding of \$1.2M.
- Sundry debtors and infringement balances continue to be well managed with \$0.71 million outstanding. This debt includes an amount > 90 days of \$198,000 for sale of land due for payment in November 2014.
- Flood Recovery activity is drawing to a close but Wunghnu fires expenditure will be incurred in the next few months, but with only \$35,000 to be paid by Council and the balance refunded as emergency management.

Lowlights:

- Rate objections processed to date have resulted in a CIV decrease of \$4.81M which also reduced the property rate charges to be collected.

2. Discussion

Notes to Executive Summary Dashboard (Per attachment):

In most instances, Council is on track against its major indicators with the 90 day and >90 days debtors and capital projects highlighted as on track to meet their targets. As at 28 February 2014:

NON SUBMISSION OF REGISTER OF INTEREST RETURNS

RECOMMENDATION

That:

1. Council suspend the five Committee Members from their Section 86 Committee of Management advising them in writing of their suspension and,
2. Advise those committee members that if their outstanding Returns are lodged within 14 days from date of the letter they would be reinstated and if not they would be terminated from the Committee

1. Executive Summary

Under the *Local Government Act* 1989 ("the Act"), Council must maintain a Register of Interests for Councillors, Members of Special Committees and Nominated Officers selected by the Chief Executive Officer.

Register of Interest Returns must be lodged twice a year, within 40 days of 30 June and 31 December. New committee members are required to complete a Primary Return within 30 days of becoming a member, following which the above ongoing timeframe applies for an Ordinary Return.

Council may exempt a member of a special committee, who is not a Councillor, from the requirement to submit a Register of Interest Return. Council previously resolved to exempt members of all Special Committees who are not Councillors from the requirement of submitting a Register of Interest return, with the exception of members of the Cobram and Yarrawonga Saleyards Committees of Management. Following a report to Council on 24 June 2013, Council further resolved to exempt members of all Special Committees who are not Councillors from the requirement to submit a Register of Interest return, with the exception of members of the following Committees which are considered to have significant financial responsibilities, effective from 1 October 2013, the date the current 4 year term of appointment commenced.

- Cobram Saleyards Committee of Management;
- Cobram Showgrounds Apex Reserve Committee of Management;
- Nathalia Showgrounds Reserve Committee of Management;
- Numurkah Showgrounds Reserve Committee of Management; and
- Yarrawonga Showgrounds/Victoria Park Committee of Management

Since the report to Council on the 24 June 2013 the Yarrawonga and Cobram Saleyards Committee of Management has been dissolved. Five members from the Showgrounds Committees of Management have not lodged their forms, two from Numurkah Showgrounds Reserve and one member from each of the Cobram Showgrounds Apex Reserve, Nathalia Showgrounds Reserve and Yarrawonga Showgrounds/Victoria Park Committees of Management.

It is recommended that Council suspend the five committee members from their Section 86 Committee of Management advising them in writing of their suspension also advising if their outstanding Returns are lodged within 14 days from date of the letter they would be reinstated if not they would be terminated from the Committee.

NON SUBMISSION OF REGISTER OF INTEREST RETURNS (cont'd)

2. Discussion

A Register of Interest Primary Return for October 2013 was sent to each member of the Cobram Showgrounds Apex Reserve, Nathalia Showgrounds Reserve, Numurkah Showgrounds Reserve and Yarrawonga Showgrounds/Victoria Park Committees of Management on 7 October 2013 requesting that the Register of Interest Return be completed and returned to Council in the Reply Paid Envelope provided by 30 October 2013.

Whilst followed up by officers with those committees, as a reminder, correspondence was sent on 28 October 2013 to those committee members' who had not lodged the completed return. A further reminder was also sent on 26 November 2013 requesting the return be submitted, in this correspondence advice was also included that a report would be presented to Council recommending their removal from the relevant Committee of Management if their outstanding return was not received by Council.

As at close of business on 8 February 2014 seven returns remained outstanding. Correspondence was sent on 9 February, informing the seven members that a Register of Interest Return was now required for January 2014 and also that the outstanding return for October 2013 was required to be lodged by 7 February.

Coincidentally, each of these committees had scheduled meetings in the last week of February and first week of March where this matter was to be raised.

Committee members were also advised that a Council report had been scheduled for the March Council meeting.

One of the outstanding returns has been received, one member had resigned from the relevant Committee however to date there are five returns still outstanding and it is recommended that Council suspend the five committee members with the option of reinstating them if their outstanding returns are lodged within a required timeframe if not they would be terminated from their relevant Section 86 Committee of Management.

COUNCIL PLAN 2013/14 FEBRUARY 2014 MONTHLY REVIEW

RECOMMENDATION

That Council receive and note the Council Plan December progress report for the period ending 28 February 2014 in relation to the adopted 2013/14 to 2016/17 Council Plan.

1. Executive Summary

In accordance with the requirements of the Local Government Act 1989, a quarterly report is required to be presented to Council detailing the progress against the Council Plan in that reporting period. Quarterly reports against the 2013/14 to 2016/17 Council Plan have previously been provided as part of the agenda papers for the October 2013 and February 2014 Ordinary Council Meeting.

This report continues the commitment to exceed this minimum requirement and report monthly against the Council Plan ensuring a more regular review and raised awareness of Councils progress throughout the reporting period to 30 June 2014.

This report contains details of the Key Performance Indicators (KPIs) contained within the adopted 2013-14 to 2016/17 Council Plan as at 31 December 2014. Each of the 118 identified KPIs are on target. More detail on these KPIs is included in **Attachment 1**.

A number of the identified Key Performance Indicators relate to the results of the Department of Planning and Community Development (DPCD)'s Annual Community Satisfaction Survey. The results of this Survey is not released until July 2014. Subsequently the results from this Survey are not able to be reported until 2014.

2. Discussion

Council identified a number of Key Performance Indicators for inclusion in the Council Plan.

These KPIs form the base of the Council Plan and are KPIs which have been identified by the Victorian Auditor General's Office (VAGO) as core KPIs which will be compulsorily reported against from 2014. The identified KPIs reflect the 'core business' of Council and it is anticipated that further KPIs will be added to the Council plan as they are identified moving forward.

3. Financial Implications

This report contains no financial implications.

4. Community Consultation

Community consultation is achieved through the publishing of this report as part of Councils Agenda and also its placement on Councils website.

5. Internal Consultation

Internal consultation has been achieved through the Director of Corporate Governance, Manager of Governance, Management team and officers responsible for updating individual actions culminating in the overall review by the Corporate Management Team.

3. Write and thank outgoing Committee of Management members.

1. Executive Summary

At Council's meeting held 16 September 2013, Council, in exercise of the powers conferred by sections 86 of the *Local Government Act 1989* (the Act), resolved to appoint persons as Community or User Group representatives on various Special Committees, for the four (4) year period which commenced on 1 October 2013 and concludes on 30 September 2017.

Even though representatives are initially appointed for a period of four years, should they wish to relinquish their position, they are not obliged to remain on the Committee for the entire period, and a replacement representative would be appointed.

2. Discussion

It is expected that, during the four (4) year term, individuals who represent the Community and/or User Groups on the Committee of Management will change.

Some User Groups feel it is more appropriate to change their representative on a regular basis, annually for example. Also the situations of individuals may change, requiring their appointment to be rescinded, thus requiring another individual to be appointed as a replacement.

Also, it is important to have representation on the Committee of Management from those user groups who utilise the facility, as such the composition may change.

SECTION 86 COMMITTEE OF MANAGEMENT REPRESENTATIVE APPOINTMENTS - AMENDMENTS (cont'd)

Detailed below are any amendments to the current composition and/or Community or User Group representation for those Committees of Management specified.

Cobram Scott Reserve

Sharra Beasley has nominated as a Cobram Football Netball Club representative.

Katamatite Recreation Reserve

Peter Hodge has been nominated to replace Jenny Skehan as a Katamatite Netball Club representative.

Yarrawonga Showgrounds Reserve / Victoria Park

Donna Knuckey has resigned as the Equestrian Users representative, a replacement representative has not been nominated.

3. Financial Implications

There are no financial implications to consider within this report.

4. Community Consultation

As the Section 86 Committees are in essence an extension of Council and are managing the facilities on behalf of Council, it is important for Council to maintain an appropriate balance of representation from user groups and the community and also maintain an accurate and up to date database of representatives on each of the Committees of Management.

To ensure the accuracy of the database, it is essential that each Committee advise Council when changes are required to individual representatives and also to user group representation. When changes do occur, a Council resolution is required.

5. Internal Consultation

Council Officers are aware of the amendments

6. Legislative / Policy Implications

There are no legislative / policy implications to consider within this report.

7. Environmental Sustainability

There are no environmental implications to consider within this report.

8. Conflict of Interest Considerations

There are no officer conflict of interest issues to consider within this report.

9. Conclusion

As part of Councils efforts to ensure that interested and appropriate person(s) and user groups be appointed to the Section 86 Committees, it is recommended that the proposed amendments to the current composition and/or Community or User Group representation for those Committees of Management specified, be approved.

DELEGATION TO APPOINT THE CHIEF EXECUTIVE OFFICER

RECOMMENDATION

That:

1. Council delegate the appointment of the Chief Executive Officer to a special committee comprising all nine (9) councillors.

1. Executive Summary

Council has previously, as part of the confidential agenda of Council's ordinary meeting of 18 November 2013, appointed Jo Fisher and Associates to assist in the recruitment of a new Chief Executive Officer for Moira Shire Council.

Prior to any subsequent appointment of a Chief Executive Officer, Council must resolve to delegate the power to appoint to either the Council or a special committee of Council.

This report recommends to delegate "the Council", comprising all nine (9) Councillors to appoint the new Chief Executive Officer.

2. Discussion

Following the early termination of the employment contract of the previous Chief Executive Officer, Mr Gary Arnold, a process to recruit a new Chief Executive Officer was initiated in November 2013.

Section 94 of the Local Government Act states;

The Chief Executive Officer

(1) A Council must appoint a natural person to be its Chief Executive Officer.

(1A) The Council must make a permanent appointment to the position of Chief Executive Officer as soon as is reasonably practicable after a vacancy in the position occurs.

(2) The Chief Executive Officer is a member of Council staff.

(3) A Council may only appoint a person to be its Chief Executive Officer after it has invited applications for the position in a notice in a newspaper circulating generally throughout Victoria and has considered all applications received by it that comply with the conditions specified in the notice.

Jo Fisher and Associates were engaged in November 2013 to assist Council with the recruitment of and negotiation with a new Chief Executive Officer for Moira Shire Council.

Prior to any appointment, Council needs to formally delegate the power to appoint to either the Council or a Special Committee of the Council.

Such is the importance of the appointment of a Chief Executive Officer, it is recommended that all nine (9) Councillors be nominated to appoint the successful candidate.

This report recommends that "the Council", comprising all nine (9) Councillors be delegated this power.
