2	Very dated, unattractive and boring and also unwelcoming for all abilities	5/1/2021 11:41 PM
3	Its location, the fenced playground, the playground itself.	5/1/2021 11:37 AM
4	An open space	4/30/2021 3:07 PM
5	That it is a large area with plenty of space for more people but very little that attracts families to the spot. I like that it is away from main areas like right on the foreshore a little bit more quiet. I love that the play area is fenced however it would be great if more area was fenced.	4/30/2021 12:39 PM
6	that it is fenced in, the new BBQ area is lovely	4/30/2021 12:24 PM
7	It was a great place to take my children to play when they were young or still at Primary school.	4/29/2021 11:07 PM
8	I love seeing how busy it gets, but on a nice sunny day it's just not big enough to enjoy with the kids as everything is always in use. I also love how it has a fence around it, very safe. Love the new bbq area also.	4/29/2021 8:29 PM

25	A park that is easily accessible within close proximity to shops and the lake. It Is a safe area for all ages due to the frequent traffic passing and foot traffic.	4/22/2021 7:20 PM
26	Enclosed playground. Open space under-utilised. A botanical garden, like Barooga's would be a welcome, cool i.e. shade and inviting addition for all ages. It's pretty ugly in it's current form, an embarrassment really, Moria Shire. Paths, large shade trees. It could be so much more.	4/20/2021 12:36 PM

70	The position and location of the park	4/12/2021 1:49 PM
71	We go to Kennedy park all the time! It's our favourite because there's plenty of things for the kids to do and many kids at once can be on the playground, not like the other newer parks, which are good but if someone's using something you have to wait your turn. At Kennedy park it keeps everyone happy. Saying that I wouldn't want much to change there. I'd love if everything that's there now stayed there and just some more equipment was added. I'd be disappointed if it turned out like all the other new ones. Thank you :)	4/12/2021 1:49 PM

123	It has beautiful shady trees and a large grassed area. Both of which are scarce in this town.	4/12/2021 7:43 AM
124	The position and access to local shops. Plenty of parking	4/12/2021 7:40 AM
125	I 100% think that a section of this park needs to be dedicated to an enclosed dog park. Such a waste of useful space. So many dog owners in the town and hardly anywhere to bring your dog to have a run around, safely! I don't mean the Showgrounds where there are many spaces for dogs to escape. There is one in Brooklyn in Melbourne which is excellent beacause it has two sections, small dogs and large dogs. I will design and make it happen if you let me. The cost and upkeep would not be that extravagant but many people in this town would be happy. The old school is also another area that could be used for a dog park. Thank you!	4/12/2021 7:40 AM
126	I like the fact that's it's fenced in and the location is close to the Main Street of town. My child (who is 18 months) loves playing on the rocking horse, walking over the bridges and going through the tunnel. I also like how much shade there is	4/12/2021 7:39 AM
127	Room to move we travel from numurkah all the time	4/12/2021 7:33 AM
128	Nice open space. A place for parents to sit and watch their children play.	4/12/2021 7:17 AM
129	Location, and not on the lake	4/12/2021 7:14 AM
130	It's open spaces	4/12/2021 7:13 AM

#	RESPONSES	DATE
1	Bike/pump track A pump track	5/2/2021 8:14 PM
2	Bike/pump track playground equipment toilets water park *A round nettt swing like both new playgrounds have at foreshore *Fresh new toilets (baby change friendly and disabled toilet too. * Maybe a little water park, somewhere for little ones to ride bikes or scooters *Sandpit *And i think it's a terrible idea that others are suggesting to make Kennedy park a dog friendly park. Children and dogs don't mix. *Toilets need to be close to playground too so parents don't have to pack every thing and all their children up to take one child to the toilet. The current derelict ones are too far away from playground. Flying fox like Lonsdale reserve Mulwala would be great a sand pit like playground near foreshore.	5/1/2021 11:41 PM
3	Open/green space Nothing more than the existing playground enclosure. It is important to retain the current open spaces for locals and visitors who want to engage in ball activities (eg soccer, football kicking), frisby throwing, running games, training activities or just relaxing under a tree or having picnics.	5/1/2021 11:37 AM
4	Stage a sound shell for outdoor concerts	4/30/2021 3:07 PM

A sign against a tree to measure your child's height. So photos can be taken to measure growth. Maybe a face wall with the murray cod for example so you can poke your face through the hole for a happy snap.	4/16/2021 7:48 PM
29	BBQ seating water park I would like to see more tables & chairs and bbq area. It would also be nice for a water park to be added. There is so much area for this to be used.	4/16/2021 3:22 PM
30	Bike/pump track paths seating Shade toilets Better toilets that are closer to the playground. So much space over the whole park - would be a great site for a bicycle pump track! Pedestrian crossing and better footpath access. Picnic tables under the shady trees	4/15/2021 12:34 PM

1	I was in Wagga recnekty and they have a great pump track at lake Albert. It's almost a temporary track that can be moved around. This is needed in Yarra. I can send pics the supplier was parkitect.	5/2/2021 8:14 PM
2	Maybe go around and check out playgrounds in other councils in victoria Also stainless steel slide like Mulwala's new playground not a great idea in our summer weather conditions Maybe build a wooden playground like Lake Wendouree (Ballarat), Bright victoria, Wallan's new playground, wooden playground next to aqua zone in Shepparton. Come on Moira shire lets take this opportunity to make this our amazing playground that everyone from other towns want to come and visit. Just something different to the rest of the playgrounds in Yarrawonga and the Moira shore. Let's plan a playground that is going to still be great to go to in 20 years not just in the next 10. ***also regarding the newer playground near rotunda. As I have two children with extra needs I have met our Physio and occupational therapist there several times and both have said that there is never enough sand in the sand pit for the little excavator and that the sand level being so low makes it harder for children to use it. And there is never enough bark at the bottom of the slide. It makes its big drop for children. Both are OH&S concerns.	5/1/2021 11:41 PM
3	We live near this park which has wonderful community useage. The recent addition of the BBQ has made it even more popular for all age groups. I would not support any further reduction of open space as this is also an important community activity. Older people (12 +) have other activity areas - Kennedy Park should be retained as it is.	5/1/2021 11:37 AM
4	We come from xxx and lake pertobe would be a brilliant starting point for ideas my kids absolutely love it there when we visit family as did I as a child with areas for every age. I feel Yarrawonga has very little to offer for community areas for children, most other surrounding towns have huge water parks, pump tracks all abilities playgrounds with bbqs and upgraded toilet facilities, as Yarrawonga is such an iconic tourist spot my family would love to see more available free to the public.	4/30/2021 12:39 PM
5	Please continue to maintain the playground. the swings are very noisy and no-one seems to ever grease them, they need continual maintenance, not just the occasional mowing of the lawn	4/30/2021 12:24 PM
6	Teenagers like to swing and play. Give them appropriate sized playgrounds that are not a skate park or footy field.	4/29/2021 11:07 PM
7	Ideally some toilets should be accessible from the park like they have them at the new Mulwala park . More shade and seating for parents. Large gazebo area for having kids birthday parties	4/29/2021 4:17 PM
8	Would be good to get feedback from children themselves. Most children from about 12 years and up probably wouldn't use it.	4/28/2021 6:12 PM
9	Would be good to get feedback from children themselves. Most children from about 12 years and up probably wouldn't use it.	4/28/2021 2:57 PM
10	Better toilet facilities and lighting is required.	4/28/2021 1:44 PM
11	Kennedy Park playground is very popular already but it could be so much more with additional equipment for very young children and older children. Other than the playground, Kennedy Park itself is under utilised and additional facilities would attract more users.	4/28/2021 1:22 PM
12	This is a well utilised park and pleased to see community consultation.	4/26/2021 2:48 PM
13	Please value the art if entertaining yourself there are often groups scouts guides youth groups that utilise the space to toss a ball play a game It's free it's open it's good It is well looked after they are kept mown and watered the new barriers around seats and tables look good very good	4/26/2021 7:32 AM
14	There should be sails over more equipment, e.g. the swings	4/26/2021 7:06 AM
15	Please extend the 2 hour parking zone further north down Lynch St. if you enlarge it!	4/25/2021 5:00 PM

16	This is a well utilised park and pleased to see community consultation.	4/25/2021 12:35 PM
17	After taking my Grandies to Pertile Park, they now ask me to take them there. We think it is a lot safer and very interesting .	4/23/2021 1:57 PM
18	I have grandchildren who I will take to the park. Age under 5 At present enjoying the Yarrawonga Skate Park, Foreshore playgroups and neighbourhood playgrounds. Mulwala's all abilities playground.	4/22/2021 7:20 PM
19	I would like an area dedicated and enclosed to off lead dog exercise. With seating. No places in Yarrawonga. Showgrounds horrible, weed infested and dogs run straight under fence. Dogs often off lead at Chinaman's Island is dangerous and unpleasant.	4/20/2021 12:36 PM
20	Fence is critical and new toilets please close to park. Shade for the seating areas. Soft hard foam landing areas for slide platforms. We need to create a meeting space for all to enjoy. I love going to Kennedy park because of its safety and charm, visibility is important.	4/16/2021 7:48 PM
21	Please use up a lot of the park for families. Would be great to see a waterpark also in it.	4/16/2021 3:22 PM
22	New toilets	4/14/2021 10:51 AM
23	More shade would be fantastic, access to upgraded toilets.	4/13/2021 9:38 PM
24	We love playing at Kennedy park know my child can't escape	4/13/2021 4:19 PM
25	This is my favourite park in Yarra. It suits our needs, an update would be great.	4/13/2021 2:08 PM
26	Think a park upgrade will be an awesome addition to a great park!	4/13/2021 7:04 AM
27	The park has always been a go to. But it is definitely time for an upgrade. Something similar to what Mulwala has done would be fantastic! -Please use relevant parties and consultants when designing and for placement of equipment as so to minimise any cause for accidents to children in the park. -I don't think rocks with sharp edges are a good idea for a playground either.	4/13/2021 3:44 AM
28	It's a great area not being very well utilised.	4/12/2021 8:35 PM
29	Kennedy park is such a large space which has the potential to be wonderful. It's so central and kids quite like the equipment. Let's not waste another park by doing a half job (small, not enough equipment, half fencing etc) like we see in the other Yarra parks. It would be great for Moira Shire to take some initiative and invest some money into this park properly.	4/12/2021 7:32 PM
30	I have serious safety concerns regarding the current toilet facilities. Firstly they are disgusting & unhygienic. Secondly It is difficult for small & toilet training children to "hold it" all the way from the play equipment especially if Mum has to round up the other children (so they are not left unsupervised) to make a trip to the loo. Thirdly toilets are far away so parents don't have a clear view of who may be in the toilet or loitering around the toilets, additionally the toilets are out of ear shot too which is concerning.	4/12/2021 7:19 PM
31	More shade required over seating areas for supervising adults	4/12/2021 6:31 PM
32	It's time that Yarrawonga had an amazing park and Kennedy park is the perfect spot... it could have an extensive park with still plenty of grassed area. Excited to see this happen	4/12/2021 2:49 PM
33	When my kids were younger I would have loved more at the park for them.	4/12/2021 2:30 PM
34	The Mulwala playground is really great and has been amazing for both my children would love something like it in Yarrawonga	4/12/2021 1:50 PM
35	Pump track would be so beneficial for our children or some bike ed school thing. Will also bring tourists also.	4/12/2021 1:49 PM
36	We love Kennedy park. Don't want much to change but just things added to make it more lovable. It's a great park as it is!	4/12/2021 1:49 PM
37	More shade required over seating areas for supervising adults	4/12/2021 1:42 PM
38	Make it friendly for both big and small kids. So we can look after all ages at the same time. Pretty much just fence the whole park	4/12/2021 12:31 PM
39	Aspace have set up one Brisbane Brisbane's first Park Warrior Course Queensland's first Park Warrior course at Guyatt Park, St Lucia was recently opened by Cr James Mackay. This much anticipated obstacle course will challenge users of all fitness levels as they pursue their fitness goals.	4/12/2021 12:07 PM
40	We need a place where we can take people with a disability. Something they can actually use. There is nothing in the region. The new abilities playground in Mulwala does not offer	4/12/2021 12:02 PM

Kennedy Park, Yarrawonga - Playground Renewal and Extension - Resident/Users Survey

people in a wheelchair or with severe disability anything. It would be wonderful to be able to take a client on a swing or have a big sensory board accessible by wheelchair.

41	Making sure there are shade sails to help with sun protection..	4/12/2021 11:52 AM
42	Kennedy Park was our favourite park when my kids were young. They have outgrown it now and haven't been for years.	4/12/2021 11:16 AM
43	The council really missed the opportunity when it passed on the chance to do what is at Purtle park in Mulwala such a shame that it wasn't done to incorporate the splash park. A lack of foresight on the councillors part. To many older people on the council that do not understand the needs of younger families	4/12/2021 10:59 AM
44	It would be nice to see BBQ areas and more seating options for adults. Also toilets and drinking taps for the kids	4/12/2021 10:58 AM
45	We love going to the park so will definitely love an upgrade to Kennedy park!	4/12/2021 10:56 AM
46	We currently drive to the Barrooga park as it has a great age appropriate park with the small splash park our kids love - would love to see something like that added	4/12/2021 10:55 AM
47	Kennedy Park needs a regional playground in Yarrawonga. Designated crossing point between Haebich drive park across Witt street to the park and footpath connections. Formalised park performance space. Better drainage in the grass areas. Proper landscaping plan for the whole park rather than the adhoc planting that has taken place so far.	4/12/2021 10:53 AM
48	MUST replace the toilet facilities, including a disabled toilet, essential!!!	4/12/2021 9:05 AM
49	Dog owners really need a space to take their dogs. The Showgrounds is poorly maintained, full of prickles and cannot be used.	4/12/2021 9:01 AM
50	Yarrawonga needs a better park one that is all access and all inclusive	4/12/2021 8:48 AM
51	Having some empty grass area inside the fencing for ball sports	4/12/2021 8:46 AM
52	I don't believe any of the current equipment is suitable in 2021	4/12/2021 8:45 AM
53	The lake provides spaces for active participation for tourists and locals. It would be great to see Kennedy Park remain a more relaxing space for small children & their families to play in lesser numbers. The larger park space encourages imaginative/varied play & does not need to be defined by the creation of ovals or courts etc. The Park should remain a community space & not become an extension of the schools	4/12/2021 8:37 AM
54	Please look at parks in Melbourne or larger cities for ideas that work for our climate in Yarrawonga.	4/12/2021 8:29 AM
55	Please put a Aqua play area in.	4/12/2021 8:19 AM
56	Building is restricted on Kennedy park and an extension of a playground would spoil this place.	4/12/2021 7:43 AM
57	This would also be a great position/spot for a dog park.	4/12/2021 7:40 AM
58	Whatever happens to the playground make sure sun protection is provided. Shade-sails and sheltered areas to avoid extreme heat.	4/12/2021 7:40 AM
59	Maybe toilets a little closer for the little ones but we love the park and BBQ	4/12/2021 7:33 AM
60	As usual for Moira Council, too little and too late! Pathways through the park would help those who need assistance to walk eg wheelie walker, mobility scooter, wheel chair	4/12/2021 7:14 AM
61	What about some of the parks in Cobram? The park in Apricot Circuit is so old and in need of an upgrade. At least move the equipment your taking from Kennedy park and relocate it to Cobram.	4/12/2021 7:13 AM
