#	RESPONSES	DATE
1	age - toddlers whole thing needs to change. playground equipment that kids can play safety and independent play. such as safetynet, bars , extra steps , stairs, hand rail , highetcso that parent doesn't need to lift or give hand right next to kids whole time.	5/2/2021 9:37 AM
2	climbing swings Keep main playground, add swings and something for older children to play on like a large climbing frame. Save some of the allocated money and put part of it towards a new playground at Thompson's Beach as there is already going to be a new playground in town money would be better spent at Thompson's beach. That playground is completely inappropriate for its users and the space, at least Mivo Park is adequate. If money is no object then of course would love a brand new playground at Mivo Park but as this is not the case could use the money to benefit both spaces.	4/29/2021 9:13 PM
3	age - all ages nature play seesaw trampolines water play It's very dated. Better seating & tables Multi age equipment Easy access deep, not to high stairs to little slides with adequate side rails to prevent small children falling. Inbuilt trampolines Logs and natural elements Climbing nets or walls Seasaw Musical elements Swings for all children/babies & all abilities Better footpath bw playground & toilets Tunnels Water play dry Creek bed	4/29/2021 8:30 PM
4	climbing slide swings trampolines Add swings and another slide, rock climbing wall, in ground trampolines	4/29/2021 2:41 PM
5	-	4/29/2021 1:06 PM
6	Complete Update	4/28/2021 4:08 PM
7	N/A	4/24/2021 5:14 PM
8	age - babies age - toddlers climbing swings Swings, and equipment that is aimed for younger children and babies. More accessible to pre-walkers (soft rubber instead of bark). And some climbing equipment for young toddlers.	4/22/2021 10:46 AM
9	age - babies swings More baby friendly stuff and swings	4/21/2021 6:41 PM
10	water play Water park	4/21/2021 6:35 PM
11	wheelchair swing I'd like to see a swing for the disabled people in the community it make a huge difference to their lives.	4/21/2021 4:32 PM
12	age - babies age - toddlers swings A set of swings, as there's no suitable equipment for babies or young toddlers.	4/21/2021 1:42 PM
13	age - all ages flying fox slide water play Definately needs updated and upgraded, for enjoyment of children all ages more slides and play equipment, flying fox. Cobram definately needs a Splash park we curently take our children to Barooga and Tocumwal, whilst out of town we lunch etc and support the cafes if only Cobram had a wonderful splash park our kids and nieces and nephews and family friends are always commenting and wishing Cobram had its own splash park. If it wasn't the correct spot to have a splash park at Mivo park then what about down at Thomsons Beach??? Could also save on water and use from the river!!! Or another location for Splashpark is the big green grassed area where the Cobram Market is held (I think its called Federation Park)	4/20/2021 6:02 PM
14	Have more shaded seating and tables both inside and outside the fenced areas, so that people can enjoy a coffee or meal from any of the local businesses outside in a nice area.	4/20/2021 4:57 PM
15	age - all ages Something for older children as well as little ones	4/20/2021 2:33 PM
16	age - all ages climbing swings trampolines Add equipment that is suited to all age levels. Refer to Both playgrounds in Barooga, such as climbing frames, swings, inground trampolines.	4/20/2021 11:56 AM
17	swings trampolines water play Add some swings, maybe small trampolines, maybe a small splash park so we don't need to go into nsw.	4/19/2021 10:44 AM

18	climbing flying fox slide trampolines wheelchair swing More simulating play equipment eg trampolines bigger slides climbing equip flying fox etc and a all ability swing for wheelchairs	4/19/2021 7:22 AM
19	More simulating play equipment eg trampolines bigger slides climbing equip flying fox etc and a all ability swing for wheelchairs	4/19/2021 7:21 AM
20	climbing flying fox swings Need a better flying fox. Kids can't reach the handle by themselves, and it won't stay at the end as it isn't flat. More climbing/monkey bar equipment, and a swing.	4/18/2021 5:52 PM
21	spinner A Spinner, also known as a merry-go-round, roundabout and carousel. They are pieces of spinning playground equipment that spin clockwise or counterclockwise. They challenge, stimulate, and thrill kids in schools and playgrounds.	4/17/2021 6:54 AM
22	all abilities If you could link up the playground so kids can just go around and around that would be great. Ie more walking platforms for kids to explore and entertain themselves. More accessibility friendly options I have seen kids with difficulties walking not be able to use this playground because of the wood chips and timber lip you have to get over. Also although it is no biggie kids get the woodchips caught in their Sandles/shoes and whinge about it.	4/16/2021 9:08 PM
23	all abilities water play Splash Park, All abilities equipment, Extend fenced area to include BBQ more seating with shelter	4/16/2021 1:17 PM
24	slide Better slide. More interactive equipment. Flat style smaller skate park for younger kids. Other one in town to steep and older kids use it.	4/16/2021 11:25 AM
25	swings trampolines It would be great to see a parent/child swing as there is none around. The Shep Lake have one there and it's amazing. The small ground level trampolines are also fantastic. I love the big basket swings also which are great for a variety of people with different needs.	4/16/2021 8:00 AM
26	flying fox swings tunnels Flying fox that works Swings Bit more interesting tunnels etc.	4/15/2021 9:06 PM
27	age - all ages climbing flying fox swings Equipment suitable for multiple ages. Monkey bars, swings and an updated flying fox	4/15/2021 5:54 PM
28	all abilities climbing swings The whole playground needs to be bigger and more inclusive. Monkey bars, swings, toddler friendly equipment, more slides.	4/15/2021 5:36 PM
29	climbing flying fox new flying fox money bar and made it higher off the ground for older kids too	4/15/2021 5:11 PM
30	age - all ages climbing seesaw slide spinner swings trampolines Addition of the round net swing/s. More equipment with different learning abilities. Eg: easier smaller equipment for toddlers / preschool like seesaw / the turning cups / small slides / swings / trampolines. Harder more difficult equipment for school kids like climbing things / large slides / and thinking play equipment.	4/15/2021 2:55 PM
31	nature play seesaw swings Add swings, maybe a see-saw, a wooden path off the ground that takes you all around the playground (like Bright), kids LOVE that.	4/15/2021 1:36 PM
32	slide swings trampolines tunnels water play Swings. Slidestunnelswater fountain themes like barooga and Tocumwallittle in ground trampolines extend the playground area more seating area for many more people There are so many things and so much space that can accommodate many people it's such a boring playground we drive to other playgrounds	4/14/2021 11:30 PM
33	climbing Maybe some climbing equipment would be good for the little ones. I think the equipment needs to be upgraded as it is looking a bit old and tired. Colour is always nice and kids love bright colours	4/14/2021 10:30 PM
34	bike/pump track nature play swings trampolines water play Look at Warrnambool parks/bendigo/Mulwala foreshore/barooga - we need so many more resources for all ages & all abilities! Swings, natural elements such as woods, trees etc, trampolines, little creek beds etc a bike pump track, splash park	4/14/2021 9:02 PM
35	swings Maybe some swings? One of those spider type swings would be great!	4/14/2021 6:32 PM
36	Yes. Look at what Barooga, Yarrawonga, Tocumwal, Mulwala have to offer in comparison. We have very little in comparison. More tables and seating for parents	4/14/2021 6:02 PM
37	climbing slide swings More equipment that is resourceful and better for the	4/14/2021 12:44 PM

environment. Colourful slides, bars, swings and netting.

38	all abilities flying fox nature play swings I'd like there to be swings, baby swings and children swings but also a swing for the disabled. I'd like the flying fox to be upgraded and the equipment to be all new. Maybe a little sandpit or something	4/14/2021 6:18 AM
39	water play Water play more play area	4/13/2021 10:46 PM
10	all abilities Disability inclusive equipment and more seating for older people	4/13/2021 10:18 PM
41	flying fox slide swings Maybe get a knew flying fox and new swings or kids and a good slide s	4/13/2021 9:27 PM
42	slide swings trampolines tunnels Swings, tunnel slides, so they dont get wet when sprinklers are on more climbing apparatuses. I ground trampoline.	4/13/2021 9:06 PM
43	nature play The equipment is outdated and not really suitable for children under the age of 6 or those with disabilities. 2	Nature Play Area Shade table/Seating Could add a little bit of landscaping, natural play space around the edges, some shade cloths and some more tables for people to sit (if money allows, but please spend it at Thompson's beach first!)	4/29/2021 9:13 PM

21	CCTV In this day and age, a security camera would be a good addition to protect children from predators, the world is not a bad place but some people are, and the possibility of child abuse or abduction must always be considered-even in Cobram. If ever the camera is used to identify such a criminal it has payed for itself and saved a family and our community from tragedy.	4/17/2021 6:54 AM
22	Bubbler Shade table/Seating More shade and seating/table under the shade! We all grab lunch and go there and have nowhere to sit if another family is using the playground. Also if you could have a tap with working handle so we could top up drinking water there that would be amazing.	4/16/2021 9:08 PM

24	table/Seating More seating.	4/16/2021 11:25 AM
25	BBQ More Play Equipment Shade Increase the playground up or change the fencing layout to incorporate more shade and nicer table and chairs. Or perhaps add a small shade sail area elsewhere for shade. It's not a great summertime park because of lack of shade in the parent supervision area. Perhaps a BBQ area so people stay longer.	4/16/2021 8:00 AM

2	Thank you for investing in playgrounds more in Cobram as this is something lacking in the past that seems to be on the radar now. The playground that needs the most attention and has the greatest ability to draw tourism to the area is at Thompson's beach Cobram so please consider spending money here first with some minor upgrades to Mivo Park. Please also look at how close playgrounds are to each other across the shire before deciding when/how to allocate money.	4/29/2021 9:13 PM
3	There are more and more playgrounds appearing around the area. I know when I travel to other towns, I stop at the ones whose playgrounds are great. I actually google and map our route based on playground reviews. I'm not alone in this. There is an opportunity to provide families with more multi age equipment. Mivo Park is used by younger children so more options for toddlers would be great as they are often forgotten. I've visited hundreds of playgrounds and love there's an opportunity here to develop a great one. Some equipment doesn't have to be expensive either. Tactile, sounds, heights, layers plus space for running & nature	4/29/2021 8:30 PM
4	Can I suggest that the new adventure play area in Mulwala be copied.	4/28/2021 4:08 PM
5	Just wanted to say that the new playground at Villa Court has been well put together	4/24/2021 5:14 PM
6	I don't think a water play or splash park inside the fenced area as my child is autistic and has adhd and won't keep out of water so in a different area of the park would be ideal so I can choose when she plays in the area without a trigger for her as she is absolutely assessed with water but on days I feel is not warm enough I can keep her away.	4/21/2021 6:41 PM
7	We most defiantely are excited to hear there will be upgrades to play grounds etc and very much hoping that the Splash Park will be included in Cobram even at a different location as suggested Thankyou Latina family	4/20/2021 6:02 PM
8	When planning your irrigation Please consider where the sprinklers hit parts of the new playground. In the mornings I use a jumper to wipe down the big slide which gets hit with the sprinklers over night. It's the little things!	4/16/2021 9:08 PM
9	Town needs a place for younger kids to use scooters and tricycles and skateboard.	4/16/2021 11:25 AM
10	It's fantastic the Council are upgrading Mivo Park. I love what Council have done with the Villa Court Park perhaps something similar would be great here. I love how Villa Court incorporates rocks and wood to keep a natural theme.	4/16/2021 8:00 AM
11	It would be great to create a space that is suitable for all ages	4/15/2021 9:06 PM
12	Please put more thought into this upgrade. There are 2 amazing playgrounds on the otherside of the river (barooga and mulwala). We 100% need something as good in cobram for the locals as well as the many thousands of tourists who visit each year. This is the Moira shire's opportunity to really show their residents that they are listening and give them what we want and need.	4/15/2021 5:36 PM
13	Great location to upgrade play ground and make better use of space, and to make it more appealing.	4/15/2021 2:55 PM
14	Mivo Park has long awaited a face lift there's no great playgrounds close to the Cobram township so it would be awesome to see some money & innovative ideas put into this project. Fingers crossed.	4/15/2021 1:36 PM
15	can't wait to see it transform. I'm sure what ever you do will be AMAZING and more inviting for locals and visitors	4/14/2021 11:30 PM
16	Let's hope that the shire can offer something for our kids that keeps them entertained and active	4/14/2021 6:02 PM

	the town.	
41	We use this park with our kids due to the shade which is really important in our climate.	4/12/2021 2:23 PM
42	Have a look at the new park in mulwala it's amazing for all ages! Something similar would be amazing in Cobram!	4/12/2021 2:08 PM
43	Its a great location. Close to food, coffee toilets and the Maternal Health Centre.	4/12/2021 1:54 PM
44	My child likes swinging and flying fox very much, but it is difficult to find them in Cobram. It would be better if there were more sheltered BBQ and tables & chairs in the grassy area.	4/12/2021 1:33 PM
45	Dog park would be better used by my family	4/12/2021 1:27 PM
46	If there was room to add some water play in the summer months that would be great. It's such a central spot so important that it remains relevant and useful for families.	4/12/2021 12:46 PM
47	Would be nice to have some sensory play i.e. water/ sand/ musical/ smells(edible plants) and a definite toddler and older/ adventure play area Mulwala's new play ground is awesome. Great mix for all ages. Minus the metal slides (burn in the summer!)	4/12/2021 12:29 PM
48	Please look around other councils and see what they have done with their playgrounds. Especially Berrigan Shire and Federation Shire, they have done a great job.	4/12/2021 11:53 AM
49	My kids love this playground, now they are older it would be great to have older kid playground equipment like climbing and swings.	4/12/2021 11:37 AM
50	Splash park is essential. Please look at fb posts and comments. It's what the people wabt	4/12/2021 11:24 AM
51	I cannot wait to see the new up to date playground because i always bring my children to play there.	4/12/2021 11:17 AM
52	The play equipment hasn't changed since I was a child. I'm now 27 years old. There really isn't anything practical for younger children to play on besides the tunnel that's on the ground.	4/12/2021 11:17 AM
53	See Mulwala playground for some inspiration	4/12/2021 11:15 AM
54	Moors shire lacks so many facilities compared to Berrigan shire. I would feel disappointed if I was a rate payer contributing to minimal community facilities	4/12/2021 11:08 AM
55	A new all ages updated park would benefit the entire community	4/12/2021 11:06 AM
56	Not in the playground but would love to see a BBQ area in that park. It's such a good space for birthday parties and gatherings. The only thing missing is the BBQ space!	4/12/2021 11:02 AM
57	This playground needs updating as Cobram have no decent playgrounds and I normally drive to barooga which has the best play areas for kids	4/12/2021 11:02 AM
58	Please spend the money for our town! This park is the ONLY centre/close park to town that could/should be unitised so much more!!	4/12/2021 11:01 AM
59	Cobram should have an adventure park and or splash park. Mivo park is a great option for this as it is in the middle of town and easily accessible.	4/12/2021 11:00 AM
60	Great idea to update the playground such a great central place :)	4/12/2021 10:59 AM
