To: Resident

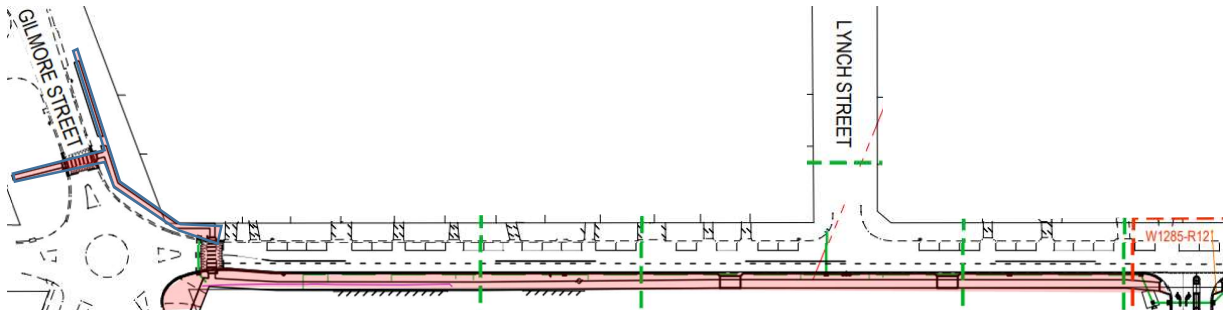

C013/20- KERB & CHANNEL CONSTRUCTIONS AND ASSOCIATED ROAD WORKS – DUNLOP STREET, YARRAWONGA

Dear Sir / Madam

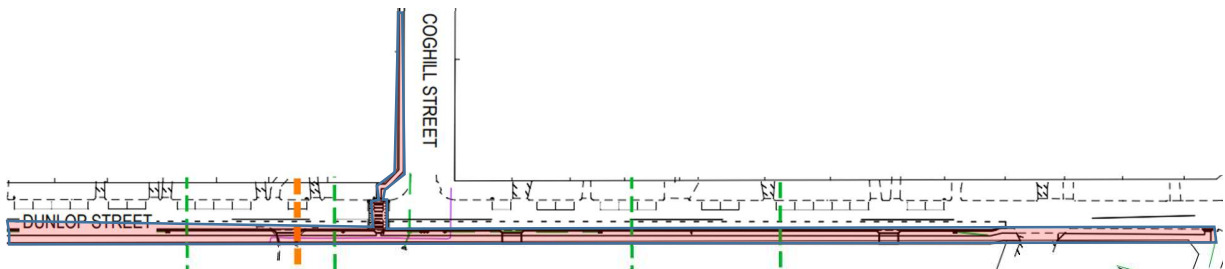

BR Excavations has been awarded a project to widen & install new drainage, kerbs, footpath, and road pavement along Dunlop Street in Yarrawonga on behalf of the **Moira Shire Council**. These treatments will provide for a safer environment for all road users and residents between Gilmore Street & Woods Rd. New raised pedestrian crossings will also be installed adjacent to the Dunlop/ Gilmore Roundabout & Coghill St to improve the amenity for pedestrians.

To undertake these works the westbound lane of Dunlop St will be closed for the duration of works with the eastbound lane remaining open to provide access for residents.

- Dunlop St (Gilmore to Showground Entrance)

- Dunlop St (Coghill St to Woods Rd)

Site Works Program (Weather permitting)

- Weeks 1-5** Site Establishment / Close Westbound Lane of Dunlop St / Demolition / Drainage Installation
- Week 6** Kerb & Channel Installation
- Week 7** Footpath Installation
- Week 8** Road Pavement installation
- Week 9** Asphalt installation
- Week 10** Landscaping / Linemarking / Re-open Westbound Lane of Dunlop St

Works are programmed to commence on Monday **1st February 2021** and conclude on **Friday 8th April 2021**. BR Excavations intends to construct these in a sequence which will minimise any disruption to local traffic. Residents are asked at the time of these works to follow the detour signs.

Further enquiries can be directed to the BR Excavations Director at the numbers below.

Yours faithfully,

Braden Reghenzani
