1. Purpose

Moirá Shire Council has established an Audit and Risk Committee (Committee) pursuant to Section 53 of the *Local Government Act 2020* (Act) to support Council in discharging its oversight responsibilities related to:

- financial and performance reporting;
- risk management;
- fraud prevention systems and control;
- maintenance of a sound internal control environment;
- assurance activities including internal and external audit; and
- Council's performance with regard to compliance with its policies and legislative and regulatory requirements.

It acts in this capacity by monitoring, reviewing, endorsing and advising on the above matters as set out in this Charter. This Charter has been developed in accordance with Section 54 of the Act.

2. Objectives

The Committee is established to assist relevant activities of management, the internal audit function and the external auditor to facilitate achieving overall organisational objectives in an efficient and effective manner.

As part of Council's governance obligations to its community, Council has constituted the Committee to facilitate the organisations ethical development through:

- the enhancement of the credibility and objectivity of internal and external financial reporting;
- effective management of financial and other risks and the protection of Council assets;
- compliance with laws and regulations as well as use of best practice guidelines;
- the effectiveness of the internal audit function; and
- the provision of an effective means of communication between the external auditor, internal audit, management and the Council.

3. Authority

The Committee is an advisory committee of Council as set out in Section 53 of the *Local Government Act 2020*. The Committee does not have executive powers or authority to implement actions in areas over which management has responsibility and does not have any delegated financial responsibility. The Committee does not have any management functions and is therefore independent of management.

The Committee's role is to report to Council and provide appropriate advice and recommendations on matters relevant to its Charter in order to facilitate decision making by Council in relation to the discharge of its responsibilities.

4. Committee Membership and Tenure

The Committee will comprise a maximum of seven members including:

- a minimum of four External Independent Members appointed by Council; and
- a maximum of two Administrators.

The Committee must not include any person who is a staff member of Moira Shire Council.

4.1 External Independent Members

- will be appointed for a first term of three years and may serve a second term of three years to a maximum of six years.
- can reapply to be appointed for a second term subject to satisfactory performance.
- must collectively have expertise in financial management and reporting, risk management and audit, and experience in public sector management.
- will be paid per meeting at a rate determined by Council.

4.2 Administrators

- When there are two Administrators appointed to Moira Shire Council, they automatically fill the Administrator member positions on the Committee.
- Where there are three or more Administrators appointed to Moira Shire Council, the appointment of two Administrators to the Committee will be made via Council resolution.

4.3 Chairperson

- is appointed by the Committee annually in July for a term of 12 months.
- must be an External Independent Member of the Committee.
- is entitled to serve as Chairperson for multiple terms provided that no more than two terms are served consecutively.
- will have a casting vote.

In the absence of the appointed Chairperson from a meeting, the Committee will appoint an acting Chairperson from the External Independent Members present.

Committee members are expected to be aware of their obligations under the Act. These obligations relate to misuse of position as a member of the Committee (Section 123), confidential information (Section 125) and conflict of interest (Sections 126 to 131). Details of these obligations are included in **Appendix A** to this Charter.

5. Appointment of External Independent Members

Appointments of External Independent Members for their first term shall be made by Council following a public advertisement process including print and social media. External Independent Members may be reappointed for a second term by Council resolution without public advertisement subject to satisfactory performance. External Independent Members should advise the Chief Executive Officer three months prior to the expiration of their first term of their intention to seek reappointment.

The terms of the appointment should be arranged to ensure an orderly rotation and continuity of membership despite changes to Council's elected representatives in order to minimise the loss of knowledge of Council's business that may occur on change of membership.

The evaluation of potential External Independent Members will be undertaken by the Chair Administrator and Chief Executive Officer (CEO) taking account of the experience of candidates and their likely ability to apply appropriate analytical and strategic management skills, and a recommendation for appointment put to Council.

External Independent Members will:

- have senior business experience.
- possess appropriate qualifications and significant relevant experience in financial management and reporting, risk management, or audit.
- understand organisational culture and strategy.
- be conversant with the Local Government financial and other reporting requirements.

6. Review of Committee Membership

Because the responsibilities of the Audit and Risk Committee evolve in response to regulatory, economic and reporting development, it is important to periodically re-evaluate all member's competencies and the overall balance of skills on the Committee in response to emerging needs.

If the Council proposes to remove a member of the Committee, it must give written notice to the member of its intention to do so and provide that member with the opportunity to be heard at a Council Meeting which is open to the public, if that member so requests.

In addition, the Council may remove a member of the Committee if they fail to attend three consecutive meetings without leave of the Committee by resolution duly passed, or on the recommendation of the Committee.

7. Meetings

7.1 Schedule of Meetings

The Committee shall meet at least quarterly, and a schedule of meetings will be developed and agreed to by the members. An additional meeting will be held in September to coincide with relevant Council reporting deadlines for the finalisation of the financial statements and the Annual Report. All meetings will be closed and not open to the public.

An Annual Work Program has been developed and detailed in **Appendix B** in accordance with Section 54(3) of the Act.

Minutes of each meeting will be prepared and issued electronically to members prior to the next meeting for confirmation.

7.4 Information Requests

The Committee will establish and communicate its requirements for information through the Chairperson, which will include the nature, extent, and timing of information. Information that is scheduled on an agenda will be provided to the Committee with the circulation of the agenda. Information that is sought at a Committee Meeting will be provided at the next meeting unless requested otherwise.

8. Quorum
